said that Jammu & Kashmir can develop only under the leadership of Modi. He said that under the stewardship of Prime Minister Narendra Modi every unit is working to provide basic necessities to the people. He also said that number of schemes are launched for upliftment of the people without differentiating any caste or creed and people are taking benefits from them.

He said that previous

Governments led by NC and PDP always ignored rural far flung areas and people always remained fighting for their fundamental rights. He said that after the formation of the Bharatiya Janata Party's Government in Center in 2014, under the leadership of Sh. Narendra Modi Ji tremendous development can be seen in every corner. He said that foundations were laid but projects remained withheld but in

present Government targets are set first to complete the projects so that people can take the benefits. Number of deputations from various areas met with Member of Parliament and demand for political reservation to the pahari people. They said that its the first time after independence that DDC & BDC elections are held, 370 abrogated and major decisions have been taken and only in Modi

Government they get a ray of hope that their demand for fundamental right would get addressed. Member of Parliament said that their demand is genuine and he will take up this matter to the Center Government and will put his best efforts that it will get fulfilled soon.
