Poem — Beautiful from inside

Beauty is in the air,
Roam around here and there,
And find good in everything,
Whether it is simple and basic or with a bling .

If you have a pure heart without any bad intentions ,
Then you'll find good in times of happiness or while having any tensions .

Beauty is not by looks , but from the inside ,
There are no beauty standards that you have to abide.

Struggle in life is the most memorable and beautiful,
That shows how you grew up as a successful
person from a mere fool.

Don't be sad on not getting a particular thing,
Be thankful that at least you have something.

We are surrounded by things which are
tremendous in their own creative ways ,
Everything has beauty , but not everyone sees it as Confucious says.

Mannat Sabharwal.

Poem — What if Night

Last night while I was thinking here,
Some what if stirked my ears.

And this remained night long,
Singing the old what if song.

What if I won't go to school?
What if they closed the pool?

What if I get stressed up?
What if I drink poison in a cup?

What if I get a burn?
What If my skin get worn?

What if I get another soul?
What if I eat my bowl?

Everything seems to swell,
And what if strikes again!

Aryan Bhagat.

Hotel Management

Hotels are amongst the most visible and important aspects of a country's infrastructure. Hotel industry is a closely linked one to the tourism industry. A number of factors like promotion of tourism and rapid industrial progress have given a boost to hoteliering. The recent liberalisation of trade and opening up of economy will further lead to revolutionary growth in this sector.

The diversity of experience in hotel management is greater than in any other profession. Hotel industry involves combination of various skills like management, food and beverage service, housekeeping, front office operation, sales and marketing, accounting. Today, the rise in corporate activity (leading to greater number of business trips) as well as the wish to travel on holiday has made the hotel industry a very competitive one.

Educational Qualification:

Minimum qualification required to go for a course in hotel management is 10+2. For certificate, diploma and bachelors courses 10+2 is sufficient. Duration of certificate courses is six months to one year. Bachelor and diploma courses are of duration one and half to three years. Those with graduation can go for post graduate diploma courses the duration of which is one year.

Selection to most government recognised institutes is based on common entrance test. Test consists of English, Reasoning, General Science and General Knowledge. The test is of two hour duration and is held around April every year. The test is followed by a group discussion and interview, in which a person's personality and confidence is seen. Private institutes also conduct tests of their own, the pattern of which is almost the same.
