GDC R S Pura organises students' panel discussion

Faculty members along with students during the programme.

■ **STATE TIMES NEWS**
R S PURA: The students of Department of Political Science came together for an engaging and thought-provoking panel discussion on the theme "Exploring the Preamble and the Relationship Between Fundamental Rights and Fundamental Duties." The event was organized as a part of series of activities celebrating 75 years of constitution. The event provided a platform for young minds to delve into the core values of the Indian Constitution and reflect on their rights and responsibilities as citizens.

The discussion featured a diverse group of students, along with esteemed faculty members who analyzed the significance of the Preamble as the guiding philosophy of the Constitution. The panelists examined how Fundamental Rights empower citizens and how Fundamental Duties serve as their ethical counterbalance, fostering a sense of responsibility toward the nation. The discussion started with the formal welcome address by Ms. Vijeeta Anand, Assistant Professor. The session initiated with the words of Principal of the College, Prof. (Dr.) Preetpal Kour highlighted the need for a balanced approach to rights and duties, emphasizing that an aware and responsible citizenry is essential for the country's progress. Students made thought-provoking discussions centered around real-world applications, historical perspectives, and contemporary challenges in upholding constitutional values.

The event concluded with an interactive Q&A session, where participants shared insights and perspectives, making it a truly enriching experience for all involved. The entire event was organized by Dr. Virender Kour and formal vote of thanks was presented by Dr. Rakesh Choudhary, HOD Political Science.

Floriculture Department hosts Kissan Goshti at Village Trown in Block Bhalla

■ **STATE TIMES NEWS**
DODA: The Department of Floriculture, Parks and Gardens organized a one-day Kissan Goshti (interactive meet) here at Trown Panchayat in Block Bhalla. The event aimed to educate farmers on commercial floriculture practices and address challenges in cultivating aromatic crops. Assistant Floriculture Officer for Pawan Kumar led the discussions on commercial floriculture activities in the district. He provided insights into the cultivation of aromatic crops such as lavender and rosemary, emphasizing their economic potential.

Farmers shared experiences and challenges related to marigold and lavender cultivation, seeking guidance on best practices. Prominent progressive growers, including Bharat Bhushan and Kunj Lal, attended the meet and praised the department's ongoing support. Former Sarpanch of Trown Panchayat, Riyaz Ahmed, commended the department for organizing awareness programs that aim to uplift the socio-economic status of the farming community. The event underscored the importance of collaborative efforts between the Floriculture Department and local farmers to promote sustainable agricultural practices and enhance income through commercial floriculture.

SMVDU Architecture students shine at International Conference on Religious Architecture

■ **STATE TIMES NEWS**
KATRA: Two final-year students of architecture from Shri Mata Vaishno Devi University (SMVDU) made a remarkable presentation at the "International Conference on Religious Architecture" organized by the National Institute of Technology (NIT), Patna. The conference was held as part of the BCE-NIT Patna Centenary Year Celebration (1924-2024). Pradiya Jodan presented her research paper on "Revisiting Sacred Geometry: The Dialogue between Parametric and Religious Architecture," exploring how parametric design retains spiritual symbolism, enhances environmental performance, and fosters community engagement. Her research highlighted the powerful synergy between the sacred and computational.Ms. Reha Shiv Bharti presented her research paper on "Biophilia in Sacred Spaces: Harmony between Nature & Spirituality," examining how worship areas can be revitalized via the careful incorporation of nature. Her research encouraged cultural sensitivity, community involvement, and enhanced health and spirituality.Both students'

research papers were presented under the guidance of Ar. Vinod Kumar, Assistant Professor, School of Architecture & Landscape Design. As a testament to their outstanding work, they have been given the opportunity to publish their research papers in a peer-reviewed journal.Prof. Pragati Kumar, Vice Chancellor of SMVDU, and Ar. Abhinay Gupta, Head of the School of Architecture & Landscape Design, along with other faculty members, congratulated the students on their achievement. This accomplishment showcases the academic excellence and research capabilities of SMVDU's architecture students, and their ability to contribute meaningfully to the field of architecture.

UIET, Kathua Campus (JU) organizes two expert lectures on Cybercrime, Cybersecurity, AI, and ML

■ **STATE TIMES NEWS**
KATHUA: The Department of CSE, UIET, Kathua Campus (JU) successfully organized two insightful expert lectures as part of its Expert Lecture Series. The sessions focused on "Cybercrime and Cybersecurity" and "Unraveling the Complexities: A Deep Dive into AI and ML." These lectures aimed to enhance students' knowledge and understanding of critical areas in the field of Computer Engineering. The lectures were delivered by Dr. Bhavana Arora, Associate Professor and Dr. Palak Mahajan, Assistant Professor from Department of CSE, Central University of Jammu.

Dr. Bhavana Arora in her lecture on "Cybercrime and Cybersecurity" provided an in-depth understanding of various aspects of online threats, hacking tech-

niques, data protection strategies, and the role of cybersecurity professionals in mitigating risks. She also discussed real-world case studies, emphasizing the importance of ethical hacking and cyber laws in safeguarding digital assets. Further she added that the students who are acquiring degrees in Computer Science need to upgrade their skills to internalize the emergence of new frontiers in the digital media security. Dr. Palak Mahajan in her lecture on "Unraveling the Complexities: A Deep Dive into AI & ML"stressed that a new phase of technological development in terms of Industry is opening flood-gates of various frontiers of machine learning. She explored the fundamental concepts, applications, and advancements in artificial intelligence and machine learning. The session pro-

vided students with insights into deep learning, neural networks, and the impact of AI-driven innovations across industries. The speaker also shared industry trends and career opportunities in AI and ML, encouraging students to develop skills in these cutting-edge fields. Prof. Arvind Jasrotia, Rector, Kathua Campus (JU) appreciated the efforts of organizing such sessions for the benefit of students and emphasized the importance of hosting more innovative sessions on campus. He highlighted how these lectures contribute to students' academic growth and provide them with insights into real-world challenges and technological advancements. Stressing the need for awareness in these fields, he mentioned that cybercrime and cybersecurity are growing concerns in today's

digital landscape, while artificial intelligence (AI) and machine learning (ML) are shaping the future of technology. Dr. Rocky Gupta, I/c Principal, UIET extended his gratitude to the expert speakers for their valuable contributions. He acknowledged their efforts in interacting with students and sharing their expertise on these crucial topics. He further remarked that such initiatives align with UIET's commitment to providing high-quality education and exposure to emerging trends in computer science.
