FINAL NOTICE

The construction of the above mentioned road, along with the stipulated maintenance period of five years, was conferred upon you by the Superintending Engineer, PMGSY (JKRRDA) Jammu vide Allotment No. SE/PMGSY/R/4139-48 dated 13-03-2019. The scheme got physically completed on September 29, 2021, thereby is under 4th- year of the mandated maintenance period.

In continuation of the prior correspondence from this office as referenced above, I want to reiterate that you have failed to carry out the routine maintenance of road L026 – Bagga to Neerum, Package No. JK14692 as per terms and conditions laid down in SBD/Agreement. Further, it has been found on routine visit to the road that there are deficiencies in the upkeep of the pavement surface, drainage systems, signage, and kilometer/mile stones. In addition, we have been receiving daily complaints from the public regarding non maintenance of the road pavement by way of pot-holes and patch repairs, restoration of rain cuts and making of unlined drains, including allegations that surface runoff is causing damage to their residential katcha houses, thereby posing a significant risk to public property. This is also evident from the inspection of the road by SQM Er. You had been directed a number of times to resume the maintenance of the road but since then months passed and there has not been found any maintenance activity on ground. Therefore, by virtue of this final notice, you are hereby again directed to recommence the routine maintenance activities as per the instructions laid down in IRC: SP:20 – Rural Roads Manual within 07 days so that the ATR could be raised and the maintenance work gets graded as Satisfactory. Failure to comply will compel this office to recommend initiating necessary actions as per established guidelines and SBD
