Subject: - Notification of SOP for Zero Waste Event (Official functions / weddings / social or religious functions)

The vision of SBM-U 2.0 is to make all cities "Garbage Free". A key requirement for this would be to adopt 3R principles and principles of circular economy for reducing, reusing and recycling of waste to ensure maximum resource recovery. Parallely, in alignment with Government of India's focus, SBM-U 2.0 also aims at phased elimination of single-use plastics.

Given that public events pose a challenge for cities in terms of generating substantial quantities of waste and their subsequent disposal, there is a need to ensure that going forward, all public events be conducted on "zero-waste" principles, to minimize the amount of waste generation and need for their safe disposal. This would be possible through use of environment friendly products/ items, easy access to toilets and waste disposal facilities by all attendees at such events, with all COVID appropriate measures as mandated by Government of India in place.

To this end, an indicative SOP with suitable Do's/ Don'ts is being proposed as per suggestive guidelines given below, for ULBs to ensure that any public event in their jurisdiction is a "zero-waste" or Swachh event.
