

Persistent efforts on to strengthen BJP: Rakesh

■ STATE TIMES NEWS

JAMMU: All the constituents of Bharatiya Janata Party are persistently contributing to fortify party at the grassroots level and make it a vibrant force to reckon with.

This was stated by Rakesh Mahajan, Incharge BJP All Cells J&K UT while chairing a meeting to elaborate duties and arrangements with regard to upcoming Executive Body Meeting scheduled for March 12 and 13, 2021, here at BJP Headquarters, Trikuta Nagar. The senior BJP leader said that though there is no match to BJP in the UT of J&K and elsewhere in the country but as a mature political outfit it is the responsibility of all its constituents to continuously work for its meaningful growth so that it remains at the forefront and becomes the first choice of one and all. He categorically said that Prime Minister Narendra Modi has shown the path to everyone in the party to stride on simple formula of Sabka Saath, Sabka Vikas Aur Sabka Vishwas, therefore all our policies and schemes should revolve

around this public friendly principle and it is the duty of every activist of the party to spread this message at the ground level so that people of all hues and contrasts make a connect with the party.

Flanked by the BJP Office Secretary Tilak Raj Gupta, Rakesh held thorough deliberations to give a final shape to the arrangements for the ensuing Executive Body Meeting of Cells to be held on March 12 and 13, 2021. While discussing the arrangements, duties were also assigned to different office bearers of the party for the smooth conduct of this crucial event which holds special significance in chalking out future course of action of the party affairs. During the meeting, all aspects regarding the executive body meeting were taken into account and foolproof preparations were envisioned.

Others present in the meeting include Convenor Border, Convenor VDCs Brijesh Rana, Hunar Gupta Convenor BJP State Human Rights, Sumit Sharma Co-convenor Sanskriti Cell, and Ajay Jamwal Co-convenor BJP Professional Cell.
