

Navin reviews action plans for CSSs

Principal Secretary A&SH and FD, Navin Kumar Choudhary chairing a meeting.

■ STATE TIMES NEWS

JAMMU: Principal Secretary, Animal & Sheep Husbandry and Fisheries Department, Navin Kumar Choudhary, on Friday chaired a meeting to discuss proposed action plans for all Centrally Sponsored Schemes and Central Sector Schemes for the year 2022-23.

Officers from all line departments presented detailed description about their respective action plans for the upcoming financial year through a Power point Presentation. Principal Secretary directed the Director Finance to get expenditure plans prepared and approved before departmental spending. He called for creating financial discipline in the departments.

He also sought detailed break up regarding establishment and functioning of artificial insemination centres by Animal Husbandry Department. He directed for allocation of funds under Integrated Dairy Development Scheme (IDDS) for providing subsidized sex-sorted insemination.

Principal Secretary asked the departments to engage professional services for better information dissemination among farmers and others connected with animal and sheep rearing. He called for better promotion of departmental subsidies and insurance facilities saying that sheep rearers

with flock size of 25 or smaller would be prioritized in insurance provision.

While discussing breed development of sheep and goats, Principal Secretary called for importing top breeds from different parts of India. He also discussed plans for execution of Rashtriya Gokul Mission and National Animal Disease Control Programme for Foot And Mouth Disease (NADCP-FMD).

Detailed discussion was also held on Re-circulating Aquaculture System (RAS) and increasing production of Trout and Carp fishes besides projects envisaging development of fish plants were also deliberated upon. Principal Secretary directed the Fisheries Department to prepare detailed project reports for development of fisheries and hatcheries in J&K.

He asked the line departments to submit their respective action plans for schemes like National Livestock Mission, Assistance to States for Control of Animal Diseases (ASCAD), National Animal Disease Control Programme (NADCP) and Pradhan Mantri Matsya Sampada Yojana (PMMSY) among a few other schemes.

Senior officers of the respective departments from both Jammu and Kashmir divisions were present in the meeting virtually and in person.

Honey Processing Unit inaugurated at Krishi Bhawan Jammu

■ STATE TIMES NEWS

JAMMU: Director Agriculture Production & Farmers Welfare, Jammu, K. K. Sharma on Friday inaugurated a 100 Kg capacity Honey Processing Unit established under Apiculture Development Scheme at Krishi Bhawan, here.

Those present on the occasion include Joint Director Agriculture (Inputs), A. S. Reen, Joint Director (Apiculture & Mushroom Development), Iqbal Singh, Plant Protection Officer, Davinder Singh, Agriculture

Director AP&FW, K. K. Sharma inaugurating a Honey Processing Unit at Krishi Bhawan, Jammu.

Chemist, Aman Jyoti Sharma, DSSO, Suresh Khajuria, Assistant Entomologist, Ram Gopal Sharma besides other officers and staff of Apiculture sec-

tion.

The Director informed that the honey processing unit consists of Automatic Honey Processing Plant, Moisture Reduction Unit, Storage

Chamber, Bottling Unit. "It performs multi-functions including preheating, processing, moisture reduction, filtration and bottling of the honey" he said.

He said that the unit will go a long way in helping the beekeepers of Jammu division as the department will facilitate the processing of crude honey produced by the farmers free of cost. The bee-keepers will be provided a logo under "Jammu Kheti" brand as well as FSSAI testing for successful marketing of honey for remunerative returns, the

Director added.

It was informed that "Madhu Kranti" Portal has been developed by The National Bee-Keeping & Honey Mission (NBHM) and 340 Bee Keepers of Jammu Division have been registered till date on the said portal. This will facilitate full tracking and hassle free movement/migration of bee colonies for chasing bee flora outside the UT.

Pertinently, the department is promoting Ramban White Honey of Autumn season under "One District One

Product" which is known for its best quality, colour and taste. Moreover honey is also produced in the whole of Chenab region, Kathua, Samba, Rajouri and other districts of Jammu Division. Bee keeping forms the potential part of integrated farming and can play an important role in doubling the farmer's income being a non competitive off farm activity besides income and employment generating venture due to wide agro climatic diversity enabling round the year bee flora availability.
