GDC Doda accredited with Grade 'B' by NAAC

STATE TIMES NEWS
DODA: Government Degree College, Doda has been declared as NAAC Accredited at Grade 'B' for a period of five years from 8th of April, 2021 the result of which was declared by National Assessment and Accreditation Council, Bengaluru.
Dr. Attar Singh Kotwal, Principal of the college congratulated all the students, student council, NCC cadets, NSS volunteers and the staff for their dedicated work and excellent contribution in the process of NAAC accreditation of the college. He lauded the role of outgoing Principal, Dr. Shafiq Hussain Rafiqi, IQAC

Coordinator Dr. Ajaz Ahmed Wani, his IQAC team comprising of Prof Bashir Ahmed, Dr Sumit Kotwal, Prof Ankush Raj, Dr Mohd Aslam Rather, Dr Tasir Sharief, Prof Mohd Ashraf, Prof Imteyaz Ahmed, Prof. Syed Kazim and all the college staff for the hard work they had put in towards this great academic activity. The college has scored maximum points in teaching, research, innovation and infrastructure parameters. A staff meeting was also convened by Principal of the college on this occasion in which the NAAC Peer team report was discussed with all the staff members along with recom-

mendations for quality enhancement of the institution. He asked the staff and IQAC coordinator to gear up for implementation of recommendation of the NAAC peer team, maintain the institutional record in specified formats for next cycle and work with dedication to make this institute a model institute of learning.
Students and staff of the college worked with great enthusiasm for the accreditation of the institution. It is pertinent to mention here that GDC Doda got first time NAAC accredited after its establishment with the dedicated and sincere hard-work of Principal, Faculty and students.

DAHWA holds 22nd annual Shivratri-Cum-Rural Awareness Mela

STATE TIMES NEWS
UDHAMPUR: The 22nd annual Maha Shivratri-cum-Rural awareness Mela was on Tuesday organized here at Khoon village of Tehsil Majalta (Udhampur).
Thousands of people thronged the ancient Khooneshwar Aap Shambu Temple to be part of the congregation held amid the spiritual ambience of the ancient shrine.
The religious Gramin-Kisan Mela was organized by the Destitute and Handicapped Welfare Association (DAHWA), on the eve of Mahashivratri. The devotees in thousands paid obeisance at the historic ancient temple to seek blessings of Lord Shiva.
Tehsildar Majalta, Uttam Pulsar, was the chief guest while former Legislature, R S Pathania and Station House Officer, Virender

Tehsildar Majalta, Uttam Pulsar lighting the ceremonial lamp.

Lauding the enthusiasm among the participants at the annual feature, Chairman of DAHWA and founder of Mela, Surat Singh Sumbria said the event aims at generating awareness among the rural masses about the government schemes meant for their socio-economic emancipation.
Sumbria expressed gratitude to Deputy Commissioner Udhampur for extending cooperation in making this festival a grand success. He urged upon the government to observe this annual Maha Shivratri festival officially in view of its popularity and importance for the area. He said that it will go a long way in satiating the religious aspirations of the devotees, as infra-structural development will give rise to the influx of pilgrim tourists giving a big fillip to economic activity in

the area.
District administration, Udhampur had made elaborate arrangements for smooth conduct of the Mela viz uninterrupted power, safe drinking water, sanitation, medicare and security.
On the occasion, a scintillating cultural programme featuring folk music, folk dances and Dogri songs, was presented by the artists of Information Department Udhampur and Cultural wing, DIPR Jammu besides the local artists on theme like Shiv Parvati Vihav & Bhajans devoted to Lord Shiva. Renowned artists Ram Ditta and party also presented cultural items which were highly applauded and received repeated applause from the audience.
Among others, Sarpanchs, Panchs, prominent citizens and a large number of devotees were present on the occasion.

Gupta were the guests of honour on the occasion.
Speaking on the occasion, Tehsildar appreciated DAHWA Gramin Mela Committee for organizing this pro-people event for the last over 18 years.
While greeting the people on the eve of Shivratri, he appreciated the efforts of DAHWA for organizing this annual festival and said such events help in

generating awareness and seeking involvement of village community in various initiatives designed by the government for their welfare.
He said such Melas symbolize unity in diversity and provide a common platform to the people to share culture and traditions, which further help in strengthening the bond of brotherhood and communal harmony.

stay away from drugs. In Indian culture it is believed that if you protect the body then only the body protects you. Purshottam Dadhichi said that Dr Basheshar Dutt Sharma in whose name this tournament has been organized was born in Pargwal and dedicated his entire life to the people. Youth should take inspiration from his life. He said that winning and losing is

a part of the game. All the players should participate in the games with high morale. He said that Mahant Bharat priye is working sincerely to keep the dear youth away from drugs. Sarpanch Ramswaroop Sharma, Sarpanch Bhupendra Singh, Kuljeet Singh, Girdhari Lal, Pawan Singh, Satpal Sharma were present on this occasion.

Pandemic taught us virtues of holistic healthcare: Dr Jitendra

STATE TIMES NEWS
NEW DELHI: Union Minister of State (Independent Charge) Science & Technology; Minister of State (Independent Charge) Earth Sciences; MoS PMO, Personnel, Public Grievances, Pensions, Atomic Energy and Space, Dr Jitendra Singh said the Pandemic has taught us the virtues of holistic healthcare and even after the pandemic has passed, it will be in the interest of mankind and ailing humanity to institutionalise integrated medicinal approach for adequate treatment and prevention of various diseases.
Speaking at the Jamia Hamdard University here, after inaugurating the world's latest state-of-art Transmission Electron Microscopy facility funded by the Union Ministry of Science & Technology, the Minister said that during the COVID even the West started looking up to India in search of immunity building techniques drawn from Ayurveda, Homeopathy, Unani, Yoga, Naturopathy and other oriental alternatives. He said, however, even after the COVID phase passes out, an optimum integration and synergism of different streams of medical management are the key to successful management of various diseases and disorders which may not be otherwise completely amenable to treatment by any single stream of medicine or the treatment given in silos.
Dr Jitendra Singh said that ever since Narendra Modi took over as Prime Minister of India in 2014, he has brought to the centre stage the virtues of indigenous systems of medical management. He said, it was PM Modi, who brought a unanimous resolution in the United Nations to observe International Day of Yoga, as a result of which Yoga has reached virtually every household across the world. He said, it was again Prime Minister Modi, who created a separate Ministry of AYUSH, considering the importance of indigenous med-

Union Minister Dr Jitendra Singh addressing faculty and students of Jamia Hamdard University after inaugurating the world's latest state-of-the-art Transmission Electron Microscopy facility funded by Union Ministry of Science & Technology, at New Delhi.

ical management system. Also, it was the Modi Govt which started MD in Unani Medicine at Srinagar.
Dr Jitendra Singh inaugurated a Research Facility at School of Pharmacology in Hamdard University, supported by Department of Science and Technology. He informed that DST has been supporting Jamia Hamdard in the form of research grants and fellowships to faculty and research scholars. Jamia Hamdard has been receiving DST-PURSE (Promotion University Research and Scientific Excellence), DST-FIST (Fund for Improvement of S&T Infrastructure in Universities and Higher Educational Institutions, DST-CSRI (Cognitive Science Research Initiative) and others.
Referring to this year's theme "Integrated approach in science and technology for sustainable future", the Minister called for streamlining of all healthcare practices and strategies to achieve optimum outcome in the field of healthcare.
Dr Jitendra Singh said that New India will become AtmaNirbhar in health care only by integrating various sciences and domains of medicine. He said, efforts must be made to integrate all medicine systems under one roof so that a patient with a single card can

consult all medical consultants pertaining to his/her disease. He also outlined the various efforts that the government is taking including the Digital Health Mission. Dr Jitendra Singh said, the Hakeems of Unani System and Vaidya of Ayurveda System have provided affordable and effective treatments to huge number of diseases, especially chronic diseases. He said, both system of medicines are still attracting a large number of patients seeking therapeutic interventions and the Government of India has strengthened these systems under the Department of AYUSH providing resources and regulatory compliance support. He said, the Hamdard Laboratories established by Hakeem Sahib churns out a large number of Unani Formulations manufactured following the Good Manufacturing Practices and some Hamdard products, need no mention, are being used by almost every household in India and also has the global presence.
Dr Jitendra Singh said, since its inception in 1989, Jamia Hamdard's progress has been stupendous and its Pharmacy School has been ranked the top Institution in the country as per the National Institutional Framework (NIRF) Rankings, conducted by the Ministry of Education, consecutively

for last three rankings. The Minister congratulated the leadership, faculty and students of the institution for their efforts which have brought their institution to such heights. Referring to Jamia Hamdard initiated many "Research Promotion Schemes", Dr Jitendra Singh urged the faculty members to publish high quality research which bring name and fame not only to Jamia Hamdard but also to our country. Jamia Hamdard (a Deemed to be University) is one of the prestigious seats of learning in the field of pharmaceutical, life sciences, medical, nursing, paramedical, engineering, management and allied health education. It was granted the status of 'Deemed to be University' in 1989 by the Ministry of HRD, Government of India, under Section 3 of UGC Act 1956. Started with less than a thousand students. Currently, there are about 10,000 students enrolled in Jamia Hamdard which includes about 600 Ph.D. scholars. I am happy to note that it has been accredited by the National Assessment and Accreditation Council (NAAC) in 'A' grade in three consecutive cycles. It has also been recommended by the Empowered Committee of Government of India for the status of 'Institution of Eminence'. The Founder of the university Hakeem Abdul Hameed Ji was a renowned physician of Indian system of medicine (Unani) of the 20th century and has a record of providing his healing touch to over 3 million of people who had faith and confidence in Unani medicine practice during his Unani practice of over 75 years. For his immense contribution in the field of education and healthcare, he was conferred with the country's important civilian awards, such as, Padmashri and Padam Bhushan by the Bharat Sarkar besides many other national and international awards and honours.

without wearing face masks and not maintaining physical distance.
The enforcement teams, during the inspection in their respective jurisdictions, recovered a fine of Rs. 15,100 taking the total amount fined since April 1, 2021 to Rs. 95,34,650.
The Enforcement officers urged the people to wear face masks and maintain physical distance besides taking
