

SKUAST- J conducts training on organic sources of nutrients & soil health

■ STATE TIMES NEWS

SAMBA: Under the guidance of Vice Chancellor, Dr. J. P. Sharma, SKUAST Jammu on Tuesday conducted training programmes on Organic Sources of Nutrients for sustainable management of cropping systems and rejuvenation of Soil Health in the village Purmandal (Distt.: Samba). The training was conducted under the Women Oriented Scheme-B of the Department of Science of Technology, India in execution of the objective of Promotion of Organic Sources of Nutrients in the region under the investigatorship of Dr. Sweeta Manhas and mentorship of Dr. Vikas Sharma, Prof and Head, Soil Science.

The programme was supported by resource persons from Division of Soil Science and Organic Farming Research Centre.

Dr. Vikas Sharma, Prof and Head, Soil Science and Incharge, OFRC made the farmers aware regarding the ill effects of conventional fertilizers on soil health and sustainability of production systems. Dr. Narinder Panotra spoke in detail about the ways in which organic sources of nutrients can be prepared such as compost, vermicompost and other bioformulations on the farm itself. Dr. Sweeta Manhas spoke about how biofertilizers are beneficial for agriculture and how they can be applied and used for increasing productivity without spoiling the health of the soils. The programme ended with thanks to Dr. Vinod Gupta, KVK Incharge, Samba and Sh. Jai Krishan, MSP for their support in organizing and conducting the programme.

STIC Infotec organises workshop on hazardous cleaning

■ STATE TIMES NEWS

UDHAMPUR: STIC INFOTECH conducted a workshop on hazardous cleaning of sewers and septic tank in association with PIA FESC Skill Council sponsored by National SafaiKarmacharis Finance and Development Corporation (NSKFPDC), Department of Ministry of Social Justice and Empowerment, at Municipal Council Udhampur District Udhampur. The meeting concluded with special thanks to Amit Chaudhary CEO of Udhampur Municipal Council and all the supporting officer. Resource person Adarsh Kakapuri & Kirti Singh Jamwal Team gave presentation.

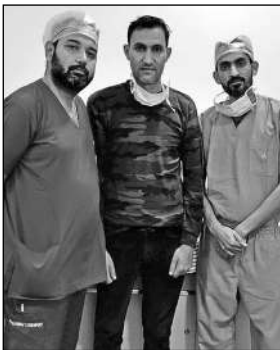

Narayana Hospital performs minimally invasive lung surgery

■ STATE TIMES NEWS

KATRA: 30-year-old adult had undergone a routine X RAY of chest as a part of Physical check-up, needed at the time of recruitment by the employer at a Clinic in Jammu. However, a routine check quickly turned into a state of concern as his reports revealed severe health problems.

X-Ray showed coin shaped shadow in the left lung, which upon CT SCAN revealed suspicion for Malignancy. The next step in the evaluation of such lesion is a CT guided Biopsy. However, the radiologists expressed concerns and risks in doing the biopsy as the lesion was small and close to a blood vessel - which could cause a life-threatening bleed if ruptured.

The consulting physician in Jammu had offered the patient with 2 choices: either follow up, during which if it was a malignancy it could spread or start Anti tuberculosis treatment which was

the other differential diagnosis. It was at this time the patient decided to take a second opinion at SMVDNSH Kakryal, where he consulted Dr. Abhinav Choudhary, (Consultant - Surgical Oncology). After reviewing the case Dr. Abhinav decided that the best option for the patient was to remove the lesion entirely through minimally invasive technique or VATS (Video Assisted Thoroscopic Surgery).

VATS surgery was performed and the patient recovered smoothly within 2 days and was discharged.

BGSBU celebrates World Water Day

■ STATE TIMES NEWS

RAJOURI: Baba Ghulam Shah Badshah University Rajouri celebrated world Water Day on Tuesday. Prof. Akbar Masood, Vice Chancellor of the University in his message said that the main focus of World Water Day is to enable the achievement of Sustainable Development Goal 6 which is water and sanitation for all by 2030 and since groundwater is the largest source of fresh and usable water in the world, therefore, it must be managed and valued. Prof. Akbar mentioned that exploring, protecting and sustainably using groundwater will be central to surviving and adapting to climate change and meeting the needs of a growing population.

On the occasion a symposium on the theme Saving water for sustainable tourism was organised by Centre for Hospitality and Tourism. Dr. Danish Iqbal Raina Deputy Director Centre for Hospitality and Tourism deliberated upon the theme of the symposium and highlighted the importance of water conservation for sustainable tourism development. Faculty members

Faculty along with students during the event.

and students of the centre participated in the symposium and put forward their views.

On the occasion, a special online lecture was organised by the Environment Sciences. Professor Lalit M. Tewari, Department of Botany, Kumaon University, Nainital, Uttarakhand was organized to celebrate the event. Professor Tewari, said that this years theme of water day draws attention to the hidden water resource that have always been critically important but not fully recognized in sustainable development policy making.

Prof. Lalit further added that Groundwater is 99 percent of all liquid fresh water; has the potential to provide societies with tremendous social, eco-

nomie and environmental benefits and opportunities which could be achieved by the strong and concerted action to manage and use it sustainably. Dr. A. A. Shah, Associate Dean, School of Biosciences and Biotechnology while giving opening remarks said that the exploring, protecting and sustainably using groundwater will be central to surviving and adapting to climate change and meeting the needs of a growing population. Dr. Shreekar Pant, Coordinator, Centre for Biodiversity Studies, BGSBU welcomed all the guests and conducted the proceeding of the program. Dr. Mamta Bhat Assistant Professor, Environmental Sciences presented a formal vote of thanks.

SMVDU celebrates World Water Day at Akhnoor

■ STATE TIMES NEWS

KATRA: Shri Mata Vaishno Devi University in collaboration with Archaeological Survey of India celebrated World Water Day at the historic Chenab River Front Akhnoor.

Held under the aegis of Azadi ka Amrit Mahotsav, the event was aimed at celebrating the natural resource - water, and inspiring actions towards sustainable future. It witnessed an enthusiastic gathering of students, historians, administrators, and academicians.

On the occasion, a heritage walk was flagged off from the famous Buddhist Site Ambaran by Padma Shri Prof. (Dr.) Ravindra Kumar Sinha, VC, SMVDU. It culminated at the revered Jia Pota Ghat.

Heritage walk covered Chandian Park, Parshuram

Faculty along with students during the programme at Akhnoor.

temple, Baba Sunder Singh Gurudwara, Pandav Gufa, Kameshwar Temple, Raja Virat Ka Kila and the spot where Maharaja Gulab Singh was appointed as the King Of Jammu at Jio Pota on the banks of the mighty Chenab. 2022 is the two hundredth anniversary of the epoch making event.

The participants were provided a detailed insight about

the Vedic River Asikini, now known as Chenab, that holds centrastage in fostering the prosperity of civilisations transcending from ancient history to the present. Dr. Izhar Alam Hashmi, Superintendent Archaeologist ASI, Jai Karan Singh and other experts from ASI, J&K Circle, briefed everyone about the historical, architectural and cultural aspects of prominent sites

such as Akhnoor Fort and Harappan Site that are being maintained by ASI.

"Ambaran is a major Buddhist site in North India," Dr Hashmi asserted.

VC SMVDU appreciated the initiative undertaken by the University. He highlighted the importance of ground water recharging, preservation of wetlands for the survival of the rivers. "Depletion of ground

water in North India for irrigation is alarming and will have negative impact on drinking water availability," he said.

Nagendra Singh Jamwal, Registrar, SMVDU, threw light on how the water bodies are held sacred and respected in Dogra culture and Jammu region. OP Sharma, environmentalist, Sharda Potukuchi, Dean Academics, Mohan Singh, journalist and heritage expert, Rakesh Thussu, President Board of Cultural Studies, KK Sharma, Ex-Director Floriculture, Dr Indu Bhushan also spoke on the occasion.

Students from School of Biotechnology, SMVDU, performed cultural items on the occasion.

Later, the participants were served authentic dishes from Dogra cuisine in leaf plates (Pattal) and cups (Doona).
