## Dr Jitendra updates CM Bhagwant Mann about Shahpur Kandi Project

Union MoS Dr Jitendra Singh with newly elected Chief Minister of Punjab, Bhagwant Mann at New Delhi on Thursday.

### STATE TIMES NEWS

NEW DELHI: In his first meeting with Bhagwant Mann after the latter took over as Chief Minister of Punjab, Union Minister Dr. Jitendra Singh on Thursday updated Mann about the salient features of the national Shahpur-Kandi project which will cater to the bordering districts of Jammu and Samba in Jammu (UT).

During the meeting lasting over half an hour, the two leaders also discussed several other issues of mutual interest between J&K and Punjab.

Dr Jitendra informed the Punjab CM that the first phase of the project is likely to be launched before the end of this year and it will be a game-

changer for J&K and Punjab.

He expressed confidence that the project, which was stalled for four decades, will see the light of the day with Bhagwant Mann as the Chief Minister.

Bhagwant Mann expressed his desire to undertake a visit to Shahpur-Kandi Project accompanied by Dr Jitendra. He said, this will help provide a first-hand experience and also an opportunity to plan further roadmap of cooperation for the times to come. Wishing Bhagwant Mann a fruitful and productive tenure as Chief Minister of an important State like Punjab, Dr Jitendra Singh said, there are many things which are common between J&K and Punjab and one of these is river Ravi which had been granted to India under the Indus Water Treaty of 1960 between India and Pakistan. He said, it was either misplaced priorities or motivated political considerations because of which the Shahpur-Kandi project did not take off even since it was initiated in the 1970s.

The Shahpur-Kandi Dam has the potential of irrigating 32173 hectares which will give a huge fillip to the socio-economic transformation.
