Lieutenant Governor
Jammu and Kashmir

MESSAGE

Manoj Sinha

World Wildlife Day is celebrated all over the world on 3rd March to commemorate the day of signing the Convention on International Trade in Endangered Species of Wildlife Fauna and Flora (CITES) in 1973. The theme for World Wildlife Day 2022 is "Recovering key species for ecosystem restoration".

Climate change has emerged as one of the most serious environmental concerns of our times. It is a global phenomenon with diverse local impacts. It is necessary that impacts of climate change on our water resources, glaciers, agriculture, forestry, biodiversity, livelihoods, human health, energy resources and industry are carefully evaluated and necessary measures taken to avoid making the problem worse. All of us- government, public authorities, business and individuals need to adapt our behaviour to respond to the challenges of climate change. The most important way to reduce vulnerability to climate change and to strengthen adaptive capacity is through outreach and awareness creation.

The Government of Jammu & Kashmir has taken a series of measures for conservation of forests and wildlife. But conservation efforts cannot succeed without the willing and active cooperation of the people, particularly the youth.

On the occasion of World Wildlife Day 2022, I call upon the civil society, especially youth to participate whole heartedly in conservation efforts of Government Departments.

(Manoj Sinha)

Commissioner / Secretary
Forest, Ecology & Environment
Jammu and Kashmir

MESSAGE

Sanjeev Verma, IAS

Union Territory of Jammu & Kashmir is endowed with rich biodiversity and varied ecosystems. Our snow bound alpine areas; extensive forests; meadows; wetlands and lakes support a wide variety of flora and fauna; however, mounting pressures of development have had an adverse impact on wildlife and its habitat. We must strive hard to protect our forests and the wildlife for their sustainable use.

Like other parts of the World, World Wildlife Day is being celebrated on 3rd March every year, in Jammu & Kashmir as well. Department of Wildlife Protection is organizing various programmes to commemorate the signing of convention on "International Trade in Endangered species of Wild Flora and Fauna" in 1973. For this year, the theme of World Wildlife Day is: "Recovering key species for ecosystem restoration".

World Wildlife Day holds a special relevance, keeping in view the certain emerging concerns like Human-Wildlife Conflict. Department of Wildlife Protection is working hard to address various aspects of wildlife conservation, which include improvement of wildlife habitat; rescue and rehabilitation of wild animals, survey & census, publicity & awareness etc. While recognizing the strong need of protection, as a symbol of conservation, Government of Union Territory of Jammu & Kashmir has notified "Kali Pheasant", as a UT Bird of Jammu & Kashmir.

Let's dedicate ourselves for the protection and conservation of forests & wildlife in Jammu & Kashmir.

(Sanjeev Verma)

Chief Wildlife Warden,
Jammu and Kashmir

MESSAGE

Realizing the importance of Wildlife, Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) was signed on 3rd March 1973 under the aegis of United Nations. Wildlife and its habitat are under tremendous pressure due to unabated development, increasing human population, global warming and climate change. The problem is worldwide and our country is also facing it.

To mark the above said event, World Wildlife Day is being celebrated on 3rd March with objective to raise awareness about protection and conservation of wildlife and its habitat. In Union Territory of Jammu & Kashmir, Department of Wildlife Protection has taken various initiatives with regard to wildlife protection and conservation. Management Plans of Wildlife Protected Areas are being prepared or revised on scientific lines. Department has operationalized 42 Wildlife Control Rooms spread over the
