Bar Association suggests counselling of police personnel

JAMMU: With a large number of Indian students getting caught in the war in Ukraine, Jammu and Kashmir Lt Governor Manoj Sinha on Saturday called for reversing the trend of the youth going abroad for medical education by encouraging private players to provide affordable education within the country.

Addressing an annual conference of the Indian Society of Nephrology in Varanasi in Uttar Pradesh, he commended it for offering a common platform to experts to enable more people-centric, safe and effective treatment.

"There is a need to reverse the trend of migration of our youth to other countries for medical education by encouraging private players and other stakeholders to provide affordable education, while state governments should play the role of a facilitator,"
