

## KPC expresses concern over potential removal of AFSPA in J&K

■ **STATE TIMES NEWS**  
JAMMU: The Kashmiri Pandit Conference (KPC) expressed its concern over the potential removal of the Armed Forces Special Powers Act (AFSPA) in Jammu and Kashmir.

The KPC leaders emphasized that such a move could provide terrorists and local militants with an opportunity to operate more freely, posing a significant threat to the security of the region.

KPC President Kundan Kashmiri highlighted the current effective control maintained by the army in the region, which has successfully prevented the infiltration of anti-national elements and ensured the safety of vulnerable groups such as PM package employees, Kashmiri Pandits, and other minorities residing in the Valley.

"Removing AFSPA could adversely impact these communities and embolden anti-national elements, hindering the movement of nationalists, displaced Kashmiri Pandits, tourists, and others," he said.

Given these risks, Kundan Kashmiri urged the Home Minister to refrain from hastily removing AFSPA, stressing its critical role in maintaining peace and security in Kashmir.

The KPC underscored the importance of recognizing the lurking threats posed by internal and external adversaries, who, though subdued, await the chance to destabilize the region.

Therefore, the Kashmiri Pandit Conference appealed to the government, particularly the Home Minister, to retain AFSPA in Jammu and Kashmir, considering its adverse consequences and implications for peace and stability.
