BGSBU achieves major milestones in academics, research, development

STATE TIMES NEWS

RAJOURI: During first 100 days, since assuming office in November 2024, Vice-Chancellor, Prof. Jawaid Iqbal has led Baba Ghulam Shah Badshah University (BGSBU) through a transformative phase, implementing key reforms in academics, research, infrastructure, financial stability, and

administration. In alignment with NEP 2020, the university introduced four-year undergraduate programs with multiple entry-exit options and established new departments in Sanskrit, History, Political Science, Sociology, Linguistics, and Mechanical Engineering. Several UG and PG programs in languages,

humanities, social sciences, and engineering, including AI & Machine Learning, Power and Energy Systems, and Water Resource Engineering, were launched to meet industry demands. Faculty welfare initiatives included Career Advancement Scheme (CAS) promotions and an enhanced Dearness Allowance (DA), along

with prioritizing financial arrears clearance. The university secured a Rs 20 crore RUSA grant for research and infrastructure, along with an Rs 11 crore increase in government funding, enabling the resumption of key infrastructure projects such as the Central Library, Guest House, and Scholars' Hostel.

DB upholds acquittal in Ex-Education Minister's Assassination Case

STATE TIMES NEWS

JAMMU: A Division Bench of Jammu & Kashmir and Ladakh High Court, comprising Justice Sanjeev Kumar and Justice Puneet Gupta upheld the acquittal of three accused namely Sayed Shabir Bukhari, son of Syed Gh. Mohiuddin, resident of Kreeeri Pattan, Shakil Ahmad Sofi, son of Habibullah Sofi, resident of Kreeeri Pattan and Mushtaq Hussain Akhoun, son of Gh. Ahmad, resident of Zaldar Mohalla, Saeda Kadal, Srinagar in the 2005 assassination case of former Education Minister Gulam Nabi Lone, stating that the "evidence on record is too weak and shaky to arrive at a conclusion different from one arrived at by the Trial Court."

Division Bench dismissed the State's appeal against the acquittal of the accused, emphasizing that the prosecution failed to provide cogent and credible evidence to prove their involvement in the conspiracy behind the terrorist attack. For the reasons which the Trial Court has given elaborately in the impugned judgment and on re-evaluation of evidence by us, we see no good reason to take a view different from the one taken by the Trial Court.

The prosecution case, as was presented before the Trial Court, is that on October 18, 2005, at about 9:00 AM an information was received by Police Station Shergarhi, Srinagar from a reliable source that indiscriminate firing is going on at Government Quarters Tuli Bagh, Srinagar and that some persons have been seriously injured.

On this information, case F.I.R. No. 117/2005 under Sections 307 R.P.C and 7/27 Indian Arms Act was registered and investigation entrusted to Inspector Mir Rasiq, S.H.O. Police Station Shergarhi.

The Investigating Officer proceeded on spot, prepared the site plan, seized the arms and ammunitions used by the terrorists in the attack and took the custody of the dead bodies lying on spot. The dead bodies, after completing all legal formalities, were handed over to the legal heirs for last rites.

During investigation, the Investigating Officer recorded the statements of the witnesses under Section 161 Cr.P.C. The investigation revealed that on October 18, 2005, the residential quarters at Tuli Bagh, Srinagar came under attack by unknown terrorists. One of the terrorist tried to enter the main gate of the residence of Mohd. Yousuf Tarigami, General Secretary, CPIM and M.L.A.

The entry of the terrorist was resisted by Selection Grade Constable, Abdul Rashid at the gate. The second terrorist was chased by P.S.O. of Mohd. Yousuf Tarigami and shot dead. From the possession of the second terrorist, AK-47 rifle, 6 AK-47 magazines, 119 rounds of AK-47 and 13 fired cartridges were recovered.

The seized AK-47 rifle along with seized fired empty cases was sent to Forensic Science Laboratory, Srinagar for ballistic examination. The investigation further brought to fore that simultaneously another attack was launched by the militants at Quarter No. T-20, the residence of MoS Education, Gulam Nabi Lone.

The Minister was assassinated by the other terrorist in the aforesaid attack. The Investigating Officer collected all the pieces of evidence found on the spot and sent the relevant material to F.S.L. Srinagar for examination.

The State accused Respondents of being part of a criminal conspiracy to carry out the attack. The prosecution claimed that these individ-

uals provided logistical support to the suicide attackers and were in constant touch with the operational chief of LeT, based in Pakistan, and had provided logistical support to the suicide attackers. However, the Court found that the call details and other materials recovered from the accused were not adequately proved during the trial. The disclosure statements, which led to the recovery of video tapes and sketches, were also not substantiated to the satisfaction of the Court.

"The call details of the respondents, which could have at least proved that the Sayed Shabir Bukhari, Shakil Ahmad Sofi and Mushtaq Hussain Akhoun were in touch with Ab. Rehman @ Darda resident of Pakistan, the operational chief of LeT based in Pakistan, and had provided logistics and other information to the suicide attackers, i.e. Abu Ossama r/o Pakistan (now dead and Bilal alias Salahu Din, resident of Pakistan, were also not proved during the trial", the Division Bench observed.

Division Bench emphasized that the accused before it were not directly involved in carrying out the attack as their alleged involvement was based on the charge of conspiracy under Section 120-B of IPC, the Court found that the prosecution had failed to prove their participation in the conspiracy. The bench noted that the Trial Court had rightly concluded that the evidence was full of contradictions and unworthy of credence.

Reiterating that the jurisdiction of an appellate court in an acquittal appeal is limited, the Division Bench explained that unless the Trial Court's appreciation of evidence is found to be perverse or impermissible, the appellate court should not interfere with the judgment of acquittal.

In light of the above observations, the Division Bench dismissed the State's appeal, finding it to be without merit.
