**Karra says security situation in JK 'deteriorating', Centre should call all-party meeting**

**STATE TIMES NEWS**  
JAMMU: Jammu and Kashmir Congress president Tariq Hameed Karra on Monday questioned the BJP's claim of normalcy after the abrogation of Article 370 and demanded an all-party meeting to discuss the "deteriorating" security situation in the union territory. He said the frequent terror incidents, especially in the Jammu region, indicate that the militancy has shifted base from Kashmir to the otherwise peaceful region, which is negating the BJP's "false nar-

ative" that terrorism has ended in the union territory. Karra was speaking to reporters at the Congress headquarters ahead of the start of the party's intensified campaign for the restoration of statehood to Jammu and Kashmir. His remarks came a day after security forces on Sunday launched a massive offensive to neutralise a group of terrorists who took shelter in a dense nursery after infiltrating from across the border in Hiranagar sector of Kathua district in the Jammu region. The operation

to track the terrorists entered the second day on Monday. "The Congress has been repeatedly saying that a wrong impression is being created at the national and international level that the situation has improved and peace restored with the end of militancy after the abrogation of Article 370 in August 2019," Karra said. "If the government is claiming that everything is alright, then why has militancy intensified in the Jammu region that has been declared militancy-free by the previous popular govern-

ments," he said. Karra accused the BJP of sacrificing the national interest over its interests by ignoring the security threat. "We request the government to call an all-party meeting to deliberate on measures to control the growing militancy, which is the biggest concern for all of us," he said. The Congress leader said the central government is answerable to the people over the growing terror activities as Jammu and Kashmir Police is directly under its control. "The terrorists are striking at will... the ongoing operation in Hiranagar in Kathua is the lat-
