**Billawaria asks people to unanimously support 'One Nation, One Election' initiative**

**STATE TIMES NEWS**  
JAMMU: Former Deputy Mayor of Jammu and senior BJP leader, Baldev Singh Billawaria, addressed a programme on the theme of 'One Nation, One Election' at Ward 56, Gangval. The event witnessed active participation from various organizations, market associations, and Mohalla welfare committees, all of whom unanimously supported and passed a resolution in favor of the initiative. Speaking at the event, Billawaria highlighted the transformative potential of the 'One Nation, One Election' model, which seeks to synchronize the election cycle for both Lok Sabha and State Legislative Assemblies. He emphasized that instead of holding elections multiple times in a year, simultaneous elections could be conducted in a single phase or within a short period, enhancing efficiency and political stability. Billawaria described the initiative as a significant step

towards achieving the vision of a developed India by 2047, as envisioned by Prime Minister Narendra Modi. He underscored that the current system of frequent elections incurs massive costs for the government and political parties, including expenses on security, logistics, and administrative efforts. Simultaneous elections, he explained, would drastically reduce these costs and prevent frequent policy standstills caused by the imposition of the Model Code of Conduct (MCC). Furthermore, he stated that synchronized elections would

improve voter participation by requiring citizens to vote only once within a fixed period, rather than repeatedly for different elections. This, in turn, would enhance voter compliance and decision-making. Billawaria urged NGOs, market associations, and societal organizations to fully support the resolution and spread awareness about its benefits within the community. He concluded by expressing confidence that the 'One Nation, One Election' initiative would set India on a path of rapid development and improved governance.
