

CCI, HC bar association condemn attack on Farooq

STATE TIMES NEWS

JAMMU: The Jammu High Court Bar Association and the Chamber of Commerce and Industry condemned the attack on National Conference president Farooq Abdullah and said there is no place for violence in a democracy.

"They demanded a thorough probe into the incident, questioning the firing by a gunman on a Z+ protectee.

"It is very strange to note that despite the Z+ security provided to Farooq Sahib, the attacker managed to reach so near to him," Jammu Chamber of Commerce and Industry (CCI) president Arun Gupta said.

"We pray to the almighty to give long life to him so that his services can be

utilised for the betterment and development of Jammu and Kashmir," he added.

He said in a democracy everyone has the right and freedom to speak in favour or against anybody irrespective of their post or position, but there is no place for violence, physical attack or attack by weapons. The High Court Bar Association chief, Nirmal Kotwal, said such acts of violence against public representatives are highly condemnable and strike at the very foundation of democracy and the rule of law.

"Political differences can never justify violence or attempts on the life of any democratic leader, and incidents of this nature create an atmosphere of fear and

instability," he said.

He added that the legal fraternity has expressed serious concern over the incident and emphasised that the people of the Union territory have already suffered immensely due to violence in the past.

"Any attempt to disturb the prevailing atmosphere of peace and normalcy must be dealt with firmly and decisively," Kotwal said, urging the government to take appropriate measures to strengthen the security apparatus.

He also urged the government to provide additional security in Jammu and Kashmir so that such incidents are prevented, and the safety of public representatives and citizens is ensured.
