Sikh United Front J&K condemns attempted attack on Dr. Farooq Abdullah

STATE TIMES NEWS

JAMMU: Sudershan Singh Wazir, Chairman of Sikh United Front J&K, along with representatives of various Sikh organizations, strongly condemned the attempted attack on senior political leader Dr. Farooq Abdullah, describing the incident as highly condemnable and deeply disturbing.

Addressing a press conference, Wazir said that Dr. Farooq Abdullah is not only a prominent leader of Jammu and Kashmir but also a respected political figure at the national and international level. He said any attempt to carry out a deadly attack on such a senior leader is extremely alarming and deserves the strongest condemnation.

Wazir recalled that Dr. Farooq Abdullah belongs to the family of the late Sheikh Mohammad Abdullah, who in 1947 took the historic deci-

sion that Jammu and Kashmir would stand with India. When tribal invaders backed by Pakistan attacked the region, Sheikh Abdullah firmly supported India and played a crucial role in protecting the interests of the nation.

Wazir further stated that the Abdullah family has consistently raised its voice for the people of Jammu and Kashmir at the international level. He said the legacy of

Sheikh Abdullah stands for unity among all communities-Hindus, Muslims, Sikhs and others-and for maintaining communal harmony. According to him, this legacy is being carried forward today by Dr. Farooq Abdullah and Omar Abdullah, whose leadership has worked for the welfare of all sections of society, particularly minorities.

He emphasized that Dr. Farooq Abdullah has always been regarded as a strong

supporter of minority communities. Therefore, any attempt on his life is extremely concerning and reflects an intolerant mindset. Wazir also demanded a thorough investigation into the incident and called for a proper security audit of Dr. Farooq Abdullah and other leaders who may face threats to their lives. He also questioned why stringent laws such as the UAPA or NSA have not been considered in this serious case.

Former President of the Delhi Gurdwara Management Committee and senior Akali leader Manjit Singh GK also condemned the attack, calling it unfortunate and unacceptable. He said the Abdullah family has always stood firmly with Sikhs and other minorities.

The leaders presented in the conference were Darbinder Singh President Shiromani Akali Dal J&K,

Mohinder Singh Chief Organizer Bhai Kanhiya Nishkam Seva Society and Ex member DGPC, Rajinder Singh Gen Sect Shiromani Akali Dal J&K, Ravinder Singh Sarpanch Gen Sec Shiromani Akali Dal J&K, Kuldeep Kour President Istri Akali Dal J&K, Kulwant Singh Khajuria Joint Secretary Shiromani Akali Dal J&K Charan Singh Bali, Convenor, Kashmir Province Shiromani Akali Dal J&K, Harpreet Singh Chhotu President Youth Akali Dal J&K, Surinder Singh Dutt, Surjeet Singh Kukoo Ex-President Sikh Naujawan Sabha, Manmohan Singh Chairman Gurdwara Singh Sabha Gole Gujral Jammu, Prof. Yodhvir Singh Ex-Corporator Jagmohan Singh, President Gurdwara Sec-14 Nanak Nagar Jamm, Kulwant Singh, Kultar Singh, Charanveer Singh (Laad).

DDC Anantnag emphasizes inclusive, sustainable Rural Development

STATE TIMES NEWS

ANANTNAG: To assess the physical and financial progress of Capex and Centrally Sponsored Schemes (CSS) implemented by RDD in the district, District Development Commissioner (DDC) Anantnag, Dr. Bilal Mohiud Din Bhat on Friday chaired a review meeting at Dak Bungalow, Khanabal.

During the meeting, the DDC conducted a comprehensive review of key rural development programmes, including MGNREGA Scheme, PMAY(G), RGSA, Panchayat Ghars, Common Service Centres (CSCs) and other works being executed under District Capex, UT Capex and MPLADS.

Reviewing implementation of MGNREGA, the DDC assessed both physical and financial progress, including workforce participation and key performance indicators under the scheme. It was informed that out of 9412 works taken up during 2025-26, 7686 have been completed and 31.44 lakh PDs were generated.

The DDC laid emphasis on maintaining transparency in execution of works besides timely completion of approved projects.

On PMAY-G, the meeting was informed that 324 lakh beneficiaries in the district were identified under the AWAASPlus PWL Survey; land was allotted for 31 of those by revenue authorities and houses have been sanctioned in their favor. Further, 276 cases were rejected after

verification, and 17 cases are presently under consideration.

The DDC directed concerned officers to expedite the resolution of pending cases and ensure that eligible beneficiaries receive housing assistance without delay.

In connection with RGSA, the meeting discussed initiatives aimed at strengthening Panchayati Raj Institutions through capacity building, improved governance practices and institutional strengthening at the grassroots level. The DDC stressed the effective utilization of RGSA funds for enhancing the functional capacity of Panchayats.

The progress of Panchayat Ghars and Common Service Centres (CSCs) for the financial year 2025-26 was also reviewed. Officials briefed the chair that against a target of 58 Panchayat Ghar Works, 54 have been allotted, 47 taken up and 30 stand completed/handed over indicating a progress of 64 against taken up works. Similarly, 30 CSCs have been completed/handed over out of total 48 taken up against a target of 59 CSCs.

On Initiative of Panchayat Learning Centres (PLCs), one is partly operational and 4 more have been nominated in FY 2025-26. Advances made on Panchayat Advancement Index (PAI), which aimed at evaluating governance performance of Panchayats across various development indicators, were also discussed.

Mega Awareness Programme on Intergenerational Bonding held at CCI Palaash Reban

STATE TIMES NEWS

BARAMULLA: A one-day Mega Awareness Programme on Intergenerational Bonding was successfully organized by the Department of Social Welfare Baramulla at CCI Palaash, Reban Rafiabad on March 12, 2026. The pro-

gramme witnessed enthusiastic participation from a large number of senior citizens and members of the local community. Various activities were organized during the event to encourage interaction, understanding, and bonding between different generations. As part of the pro-

gramme, a plantation drive was conducted within the premises to promote environmental awareness and responsibility among participants. Several indoor recreational games including chess, carrom, and table tennis were also organized, which provided an opportunity for friendly interaction and engagement among participants of different age groups.

Officers from various government departments also participated in the programme, reflecting strong interdepartmental coordination and support for social welfare initiatives.

The Superintendent of CCI Palaash, Bharat Bushan Koul, appreciated the active participation of senior citizens, officers from various departments, and local residents, which contributed to the successful conduct of the programme.

SRINAGAR: In a significant initiative to promote beekeeping as a viable livelihood option and equip beekeepers with the latest scientific practices, the Directorate of Agriculture Kashmir on Friday launched a comprehensive seven-day training program on Scientific Beekeeping across the Kashmir Valley.

The program was inaugurated by Director Agriculture Kashmir, Sartaj Ahmad Shah, at Directorate hall Lalmandi Srinagar.

The training at Lalmandi serves the central districts, while parallel sessions are being conducted for North Kashmir at the Faculty of Agriculture, Wadura, and for South Kashmir at the DAK Bungalow, Anantnag.

The training aims to acquaint existing and aspiring

Directorate of Agriculture Kashmir organizes Valley-Wide Training Program on Scientific Beekeeping

beekeepers with modern, scientific methods of apiculture, including colony management, disease prevention, honey extraction techniques, value addition of hive products, and strategies to enhance pollination services for better crop yields, particularly in oilseed and horticultural crops.

Sartaj Ahmad Shah, while inaugurating the program at Lalmandi, emphasized the

importance of scientific beekeeping in boosting rural economies, generating employment opportunities, and supporting sustainable agriculture in the region. He highlighted that beekeeping not only provides additional income to

farmers but also plays a crucial role in enhancing biodiversity and agricultural productivity through improved pollination.

The seven-day program features expert-led sessions, practical demonstrations, and interactive discussions covering

all aspects of modern beekeeping practices tailored to the agro-climatic conditions of Kashmir. Participants include progressive farmers, youth entrepreneurs, and established beekeepers from various districts of the Valley.

This initiative aligns with the broader goals of the Government of Jammu and Kashmir to diversify agricultural activities, promote allied sectors, and empower rural communities under various developmental schemes.

The Directorate of Agriculture Kashmir invites interested beekeepers and stakeholders to actively participate and benefit from this capacity-building effort.

Potential Entrepreneurship Mela organized at Pahalgam

STATE TIMES NEWS

ANANTNAG: Department of Employment, Anantnag in collaboration with Sub-Divisional Administration Pahalgam, on Friday organised a Potential Entrepreneurship Mela under Mission YUVA at Town Hall Pahalgam.

The event was attended by SDM Pahalgam, Qaiser Mehmood as Chief Guest and was also attended by District Employment Officer (DEO), officers from various line departments, representatives from banks, members of Team Mission YUVA and aspiring entrepreneurs.

Addressing the gathering, the DEO briefed about the objectives and opportunities being provided under Mission YUVA, emphasizing the importance of youth entrepreneurship and self-employment initiatives launched by the Government. During the programme, representatives from various banks assured youth of timely processing and disbursement of financial assistance under Mission YUVA.

The highlight of the program was the successful entrepreneurs sharing their inspiring stories

and motivating youth to take up entrepreneurship as career option.

Speaking on the occasion, SDM Pahalgam urged the youth to actively avail the benefits of Mission YUVA and encouraged them to explore self-employment opportunities under different government schemes. He asked the bank representatives to ensure disbursement in respect of all pending eligible cases so that the youth are provided meaningful employment in a time bound manner.

He further advised the successful entrepreneurs to serve as ambassadors for motivating others and become catalysts for effective implementation of the flagship initiative.

Earlier, the SDM inspected the stalls installed by the concerned departments and financial institutions associated with implementation of Mission YUVA and other self-employment schemes.

The event served as an important platform to connect youth with financial institutions and concerned government agencies.

SKUAST-K joins ICAR-NCVTC Network as Mycoplasma Repository

STATE TIMES NEWS

SRINAGAR: In a move that cements Sher-e-Kashmir University of Agricultural Sciences and Technologies of Kashmir's status as a premier research institution, varsity's Faculty of Veterinary Sciences & Animal Husbandry Shuhama has been formally inducted into the Indian Council of Agricultural Research's National Centre for Veterinary Type Culture (ICAR-NCVTC) network.

The prestigious national recognition designates the Veterinary Faculty Shuhama as a specialized repository unit for Mycoplasma cultures, positioning SKUAST-K at the forefront of national efforts to combat economically important livestock diseases.

The inclusion was formalised during the XIVth Annual Review Meeting of the ICAR-NCVTC Network Project held at the NASC Complex, New Delhi.

The meeting was chaired by Dr Raghavendra Bhatta, Deputy Director General, Animal Science,

ICAR, and attended by Dr Divakar Hemadri, ADG, Animal Health; Dr TK Bhattacharya, Director, ICAR-NRCE, and Dr RK Vaid, Head of Division, NCVTC.

As a designated repository unit, the Mycoplasma Laboratory at Shuhama will play a vital role in the collection, identification and preservation of veterinary pathogens. The collaboration is set to significantly enhance the university's research capacity and its contribution to national biosecurity. Dr Mohammad Iqbal Yattoo, Associate Professor, Division Veterinary Clinical Medicine, has been designated as the Principal Investigator (PI) for the unit.

Vice Chancellor SKUAST-Kashmir, Prof Nazir Ahmad Ganai, congratulated the veterinary scientists particularly Dr Yattoo, for their dedicated efforts.

"The development is a matter of great pride for SKUAST-Kashmir," Prof Ganai stated. "Our inclusion in the ICAR-NCVTC network is a testament to the growing research excellence and national relevance of our university. It reinforces our commitment to addressing critical challenges in animal health at a national and global level", he added.
