## Redress people's grievances related to incidents of crop fires: DSS

■ **STATE TIMES NEWS**  
BISHNAH: Dogra Sadar Sabha J&K held a meeting of its office bearers, members, Sarpanchs, Panchs, Numberdars, Chowkidars and other representatives of grassroots organisations from different areas of districts of Jammu and Samba, under the chairmanship of Th. Gulchain Singh Charak, President of the Sabha, at Bishnah. The meeting focused on seven major issues confronting the local population, particularly the farming community. During detailed deliberations, Charak appealed to the administration headed by Lt. Governor of J&K Union Territory, Manoj Sinha, to issue clear instructions to concerned departmental heads for immediate redressal of peoples grievances related to incidents of crop fires, long power cuts which affect pumped-irrigation of crops, eye wash in the name of desilting / repair and cleaning of irrigation canal & its distributaries, dilapidated condition of roads, name-sake degree college at Bishnah and wide-spread drug menace, particularly in the border areas. It was pointed out with grave concern that presently, there is just single fire tender available at Fire & Emergency Station/ Fire Post, to cater to the whole of the border belt. The probability of wheat and other standing as well as harvested crops catching fire had increased manifold due to scorching heat of summer months. Because of non-availability of sufficient fire tenders in time, there have been a number of devastating fire incidents in standing crops and losses to affected

farmers in Arnia - Bishnah areas of Jammu district during the previous years and recently. A strong appeal was therefore made to the Fire Services Department and the government to immediately station at least one properly equipped fire tenders each, at Arnia and Bishnah to prevent repeated occurrence of such cases during the current harvesting season. It was further demanded to impose a temporary ban immediately on the use of fire crackers, especially the flying objects like rockets, parachutes and flying lanterns, etc. during the celebration of marriages etc. in the warm rural areas of Jammu, Samba and Kathua districts as even a single spark from these crackers

is sufficient to reduce the mature standing crops to ashes. Extensive use of these highly inflammable items to express joy during the ongoing harvest season can bring misery to farmers. Therefore, people must be made aware and educated about their devastating results to farmers and about other crop fire prevention measures through radio, television, posters and print media. Others who expressed their views included Prem Sagar Gupta, Gambhir Dev Singh, Sr. Balwinder Singh, Madan Lal Bhagat, Dr. Ragbhir Singh, Sr. Mehar Singh, Advocate D.K. Singh, Prem Singh Saini, Khajan Chand, Master Balwant Singh Saini, Sub. Rattan Chand Choudhary Surinder Khajuria etc.
