JKPS Kunjwani faculty bidding farewell to students of class XII and a cricket match going on between students.

STATE TIMES NEWS

JAMMU: JK Public School Kunjwani on Tuesday bade adieu to their outgoing young JKians, who enjoyed the privilege of schooling at JKPS, ranging from 2 to 15 years.

School, undoubtedly, left no stones unturned while ensuring a holistic growth profile for each student and equipped them with requisite skills in scholastic and co-scholastic domains.

Since these students are

writing their AISSCE exams, scheduled from April 26, 2022, so the school Director Shashi Chaudhary, Principal Rajesh Rathore and Vice Principal Shashi Rattan and all the teachers showered their blessings on them.

On this occasion, their mentors advised them to make right choices in their lives, as they embark on their professional journey ahead.

Students were advised to dream big, have unflinching self-belief in themselves and be humble in their approach.

They were told that 3Cs for achieving any goal are Commitment, Competence and Compassion. Empowered with the strength of 4Ds, namely, Discipline, Dedication and Devotion, nothing can stop their commanding steps to destination.

The students felt indebted to their alma mater which stood by them like the Rock of Gibraltar during the most challenging COVID times and made them emerge victors with flying colours.

Later, a friendly Cricket Match was organized between the students of outgoing Class XII and the present Class XII to cherish the memories of the day, which shall indeed be treasured for the lifetime.

Work sincerely to achieve UN's Sustainable Development Goals: Jasvir

DDC Panchari Mounгри Jasvir Singh addressing a press conference.

STATE TIMES NEWS

JAMMU: Councilor of Panchari Mounгри in Udhampur District Development Council, Jasvir Singh, while addressing a press conference in Jammu, has said that climate change has badly affected entire world.

Along with the country, Jammu and Kashmir is also not untouched by it, he said

adding that the weather has changed rapidly during last few years.

"When it is dry, it is very dry, and when it rains it is too much. Snowfall is also being seen less. Areas such as agriculture and horticulture have been greatly affected by climate change and many water sources have either disappeared or are on the verge of extinction," he said and added that there is a need for everyone to come together to deal with this challenge and work sincerely to achieve Sustainable Development Goals set by United Nations. "We have a wealth of natural resources, green forests, snowy peaks, pollution free villages and a very beautiful geographic area. We must work for green planning and green budgeting. Local actions will lead to achievement national as well as of global targets in this regard. J&K needs its own model of development in this regard as we have different geographical and topographical conditions," he added.
