‘Central schemes reaching beneficiaries without pilferage’ BJP emerging as the strongest party pan India: Raman

■ **STATE TIMES NEWS**
JAMMU: "Bharatiya Janata Party (BJP) is emerging as the strongest and most popular political party amongst people pan India and all the schemes launched by the BJP government at the Centre are reaching deserving beneficiaries without any pilferage. This is something that India never saw before and is now heading towards becoming a world power to reckon with". This was stated by Bharatiya Janata Party (BJP) J&K Executive Member Raman Suri, who added that this is for the first time after a long gap that BJP is having 100 plus seats in the Rajya Sabha, making the National Democratic Alliance (NDA) possess 117 seats in the 245-member House. This speaks of the party's performance, people-friendly policies, growing base and acceptance amongst masses who look forward to BJP as a clean, transparent and people's party having no inclination towards dynastic politics.

Raman Suri said, BJP stalwarts like its Chief J P Nadda, General Secretaries B L Santosh and Shiv Prakash, Parliamentary Chairperson Narendra Modi (Prime Minister), Piyush Goel, Dr Jitendra Singh (Minister in PMO) and crores of party workers have taken the party to new heights with their sincerity, selfless services and dedication towards building a strong nation. He said, this is for the first time in the history of politics or administrative reforms that all central schemes are reaching the right beneficiaries through bank accounts in the most transparent manner. Earlier, middlemen used to steal public money but ever since Prime Minister Modi has made people open bank accounts, the benefits or subsidies are reaching the deserving people directly. Suri said that ever since Prime Minister Narendra Modi led the party to its majority in the 2014 Lok Sabha polls, BJP's tally, despite being way short of the majority in the 245-member Upper House, speaks of its continuous rise. He asked the party workers to keep this motivation and dedication high as many new laws are to be passed for the benefit of the country. The way BJP is working, it is going to emerge even stronger and make India get recognition across the globe, with many countries looking towards us for multiple social, political and economic inspirations.
