

# AI-a good servant but a bad master: Principal JKPS Kunjwani

Principal JKPS Kunjwani Rajesh Rathore and senior students addressing morning assembly on Monday.

## ■ STATE TIMES NEWS

JAMMU: "Artificial Intelligence (AI) is the simulation of human intelligence processes by machines especially computer system. In general AI system works by ingesting large amounts of labeled training data, analyzing the data for patterns and using these patterns to make predictions about future states", stated Kalyani.

"Artificial programming focuses on cognitive skills that include Learning; Reasoning; Self Correction &

Creativity. Artificial Intelligence reduces the human effort. People are using this technology in many industries to develop autonomous robots for performing various activities. The machine can increase the speed of work and process and give accurate results. The future of AI is promising with continuous advancement in machine language, natural language processing and computer vision", she further added. At last, she summed up saying that

"AI is good at describing the world as it is today with all of its biases but it does not show how a world doing great in the present circumstances can be also great in future".

Another brilliant student from class X Harshdeep Singh said, "David is 11 years old. He weighs 60 pounds. He is 4 feet and 6 inches tall. He has brown hair. His love is real but he is not i.e. he is an AI robot. Once, world's most famous Physicist Stephen Hawking said, "Success in creating AI

would be the biggest event in human history, but unfortunately, it might also be the loss unless we learn how to avoid the risks".

Speaking on the topic 'Prospects of AI', he reflected, "AI has a number of applicants in many different industries. AI for example may assist us in analyzing vast volumes of data to find trends and insights that are accessible to humans. This may be applied to enhance healthcare, reduce crime and provide safer transportation.

AI can also make our lives more efficient by automating endless jobs. AI is also used by voice assistants like Siri and Alexa to ease our work by carrying out our spoken orders".

"AI is also used by self driving cars like Tesla to navigate and make judgments while driving. But, with AI's strength comes responsibility. Do you know according to Servion Global Solution by 2025, 95% of costumers interactions will be powered by AI and by 2045, AI is

expected to completely surpass human intelligence", he concluded.

Reflecting on the 'Consequences of AI', another promising student Harshit said, "The greatest disadvantage of AI is that it promotes unemployment. As AI develops, it is crucial that it is utilized morally and doesn't hurt humans as well as living things. This involves ensuring that AI systems are impartial and fair safeguarding people's primary and preventing AI from replacing

occupations without offering alternatives to work".

"Additionally, tech entrepreneur Elon Musk, who has long pushed for government regulation of AI, recently compared AI to nuclear weapon in terms of its danger. Robots are not going to replace humans; they are going to make their jobs much more humane. Difficult, demeaning, dangerous, dull - these are the jobs robots will be taking. But, the sad thing about artificial intelligence is that

it lacks artifice and therefore intelligence", he summarized.

Principal JKPS Kunjwani Rajesh Rathore reiterated the fact "Science is a great servant but a bad master. It's so exciting to allow the geni out of the lamp but it's so difficult to tame it forever. As the adage goes, curiosity killed the cat. Hence we must exercise control over our ambition, only then world can a better place to live in with joy, freedom, peace and co-existence".

## Shubham continues brilliance in England, slams unbeaten ton

### ■ STATE TIMES NEWS

JAMMU: After scoring a power-packed double century in the prestigious Greater Manchester Cricket League yesterday, J&K's talented batter Shubham Khajuria slammed a magnificent unbeaten century in ECB National Club Championship while representing Westhoughton Cricket Club against Furness Cricket Club at Manchester in England on Monday.

Earlier, winning the toss and batting first, Westhoughton Cricket Club scored 228/7 in the stipulated 40 overs. Shubham Khajuria top scored with unbeaten 115 runs off 69 balls, studded with 7 fours and 9 sixes. He hit the ball with fluidity, sublimity and grace. Kamran Younis (44) and Joe Curme (39) were the other contributors.

For Furness Cricket Club,

Sam Dutton and Harris Woods took 3 wickets each.

In reply, Furness Cricket Club bundled out for 158 runs in 34.2 overs, thus lost the match by 70 runs. Sam Dutton top scored with 44 runs, while Ryan Griffith contributed 37 runs to the total. Faizan Ghumann and Nathan Waterston also scored 27 and 26 runs respectively.

For Westhoughton Cricket Club, Kamran Younas and Shubham Khajuria captured 3 wickets each.

Meanwhile, in a live chat with certain Jammu based media agency from London after scoring a double century and a century, Shubham said that he was aiming to play around 15 matches in England before joining JKCA Camp in Jammu.

He expressed satisfaction over his performance in both the matches played so far in England.

## 6th World Cup Rollball Tournament India, Kenya enter women's semi-finals; India, Kenya, Belarus, Senegal in men's quarter-finals

### ■ STATE TIMES NEWS

PUNE: Kenya from women's group A and India from group B have entered the semi-finals of the 6th World Cup Rollball tournament.

India from Men's Group A, Kenya from Group B, Belarus from Group C and Senegal from Group D entered the quarter-finals.

In the men's category, India entered the quarter-finals of the tournament after defeating Argentina 9-1 in the ongoing tournament at the Sri Shiv Chhatrapati Stadium in Mhalunge Balevadi, here.

India dominated the match by taking a 4-0 lead at the interval. Akash Ganeshwade scored three goals at (4.40, 15.15, 36.30 minutes) and Srikanth Sahu also scored three goals at (12.27, 26.02, 30.07 minutes) while Harshal Ghuge scored two goals at (17.25, 21.27 minutes) and

Indian women team in a match against Ciara Leavon and men team playing against Argentina in 6th WC Rollball tournament.

Aditya Sutar scored one at (28.55 minute) helping the team's victory. Emiliano Jesus (32.10 minute) scored a goal for Argentina.

India defeated Argentina, Fiji, Poland, Egypt and Uganda to enter the quarter-finals. Poland and Egypt are

in a tie for the second place.

From the Men's Group B, Kenya defeated Sierra Leone, Sri Lanka, France and Iran to qualify for the quarter-finals. In Men's Group C, Belarus entered the quarter-finals after defeating Saudi Arabia, Nepal, Oman and Brazil.

From Group D, the Senegal team defeated New Zealand, England, and Latvia to qualify for the quarter-finals.

In the women's section, India thrashed Ciara Leavon's team 9-0 to secure a place in the semi-finals from Group B. The lead was 5-0 at the inter-

val. Ishika Sharma at (0.50, 16.22 minutes), captain S. Susmitha at (18.35, 22.55 minutes), Shruti Bhagat (19.30, 29.40 minutes) got two each while Devanshi Patel (32.50 minute), Pooja Chaudhary (13.15 minute) and Khushi Wankhede (25.00

minute) scored one goal each. Not a single player could score from Ciara Leavon's team.

From women's group B, India reached the semi-finals directly after defeating Ciara Leavon, Poland, Latvia and Argentina. Latvia and Poland will be fighting for the second place.

From Women's Group A, Kenya defeated Egypt to enter the semi-finals of the tournament. From the same group, Egypt and France will be facing each other for the second place.

Earlier, in the women's group, Sri Lanka advanced by defeating Nepal 6-1. At the interval, Sri Lanka was leading 4-1. M.D Didulani scored three goals, Naveda scored two goals and Chalani S scored one goal to win the team. Bitisha Maharjan scored one goal for Nepal team.

## Varun's 'Fifer' helps Media Cricket Club Jammu beats BMCC-2 XI

### ■ STATE TIMES NEWS

JAMMU: Media Cricket Club Jammu beats BMCC-2 XI by 15 runs in a keenly contested match played at Phallian Mandal Jammu.

Captain of Media Cricket Club Jammu Vivek Suri won the toss and elected to bat first on a good batting surface. Both the openers of MCC Jammu Ankush and Varun gave an explosive start to the innings and shared 68 runs partnership in just 3.5 overs before Varun out on 27 runs in just 10 balls.

Ankush kept the momentum going and dispatched ball to all parts of the Ground. He was eventually

MCC team in jubilant mood after winning the match.

out on 40 runs in just 25 balls. Vivek Suri played a cameo of 25 runs in 17 balls and shared important partnership of 44 runs with Pawan Sharma (20 runs) for the team. Media Cricket

Club Jammu scored 171 in stipulated 16 overs. For BMCC-2 XI Satish took 3 wickets while Arun and Atul took one wicket each.

Chasing a daunting target of 172 runs in 16 overs,

openers of BMCC-2 XI starting on a blistering note and were on target for a great run chase. But clever bowling changes by Vivek Suri reaped dividends as dangerously looking Arun

Sharma was out on 28 runs in just 9 balls. In form Satish was brilliantly caught by Rohit at Cows Corner which proved to be the turning point of the march as wickets kept tumbling in order to match with increasing run rate.

BMCC-2 XI scored 156 runs for the loss of 9 wickets. Satish scored 56 runs in 22 balls and Aran scored 22 runs. For Media Cricket Club Jammu Varun took 5 wickets, Man Singh took 2 wickets while Vivek Suri and Rohit claimed one wicket each. Varun of Media Cricket Club Jammu was declared Man of the Match for his brilliant performance.

## PSPS GCW Gandhi Nagar celebrates World Earth Day, National Pet Day

### ■ STATE TIMES NEWS

JAMMU: Eco Club of Padma Shri Padma Sachdev (PSPS) College for Women, in collaboration with Department of Environmental Sciences and Paryavaran Sarankshan Gatividhi (Jammu Kashmir Prant) on Monday organised a lecture to celebrate Earth Day covering this year theme "Invest in Our Planet".

The event was held under the guidance of the College Principal, Prof. Minu Mahajan, Dr. Harjeet Kaur, Convenor, Eco club delivered a formal welcome speech. She briefed that the motive of organising this event was to raise awareness on changing climatic conditions and to look upon the ways to protect our planet Earth from further damages.

Prof. Minu Mahajan applauded the initiatives taken by the organising team

to sensitize and motivate students about various environmental issues like global warming, deforestation etc. She stressed on the need to utilize the existing resources with a sustainable approach. Kuldeep Sharma, Retired HOD, SKUAST, Jammu, Pravaran Sangrakshak Gatividhi, JK Prant was the resource person of the event. He elaborated on the historical background of the need for celebrating 'Earth Day', which started way back in 1970.

"The degrading environmental conditions have a direct impact on the physical, social, mental and spiritual health of an individual" he said. He sensitised the students about the contribution they can make as a student and as a citizen for the welfare of the whole society. He encouraged them to plant at least 7-8 plants per year and also to work on reducing their carbon footprints. The

event was witnessed by around 80 students. Dr. Rahul Sharma, Prof. Eisha Gohil, Prof. Shivani Sawhney, Prof. Swarn Singh, Dr. Ravinder Kumar also graced the occasion with their presence.

The event concluded with a formal vote of thanks by Dr. Suraj Mohani Jamwal. The proceedings of the event were conducted by Mehak Sharma and Neharica Sharma (2nd sem).

Meanwhile, to commemorate National Pet Day an extension lecture on the "Safety of our Furry friends" was organised by the department of Home Science. Dr. Jasleen Kour; Veterinary Microbiologist, SKUAST-Jammu was the resource person on the occasion.

More than 100 students of the college attended the lecture. The resource person also stressed upon general management measures and steps that should be taken in order to keep pets healthy and

what all should be done when they are not keeping well.

Earlier, the event started with a welcome address by Dr. Irvinde Kour; HOD Home Science, who formally welcomed the Chief Guest Prof. Minu Mahajan the revered Principal of the college, the resource person, staff, and students. The Principal congratulated the efforts of the department and stressed upon the fact that Pets can reduce loneliness, increase feelings of social support, and boost your mood. The whole event was organised by Dr. Anjali Bhat, Prof. Neelam Bhagat, Dr. Ramandeep Kaur, Dr. Neelima Gupta faculty of the Department of Home Science. Vote of thanks was given by Prof. Shivani Sawhney. Present on the occasion was staff secretary Prof. Mala Bhasin and other staff members of the college.
