'MSME units of J&K on verge of closure due to non-availability of GST link incentives'

■ **STATE TIMES NEWS**
JAMMU: Existing MSME Industrial Units of J&K UT on verge of closure due to non availability of GST Link Incentives under Industrial Package 2021 notified by Ministry of Commerce & Industry Govt. of India. The Federation of Industries, Jammu has appealed to Prime Minister Narendra Modi, Home Minister Amit Shah and LG J&K Manoj Sinha to save the existing Micro & Small Scale Industrial Sector of JKUT from Closure as the Existing MSME Sector and Service Sector totally ignored while granting the GST Link Fiscal Incentives as per Notification No. F/1(1)2020-SSS dated 19-02-2021 issued by DPIIT, Ministry of Industry & Commerce. While highlighting the issue, Lalit Mahajan, Chairman Federation of Industries Jammu raised serious concern towards the uncertainty prevailing in the mind of Working MSME Units of J&K due to denial of Reimbursement of Gross GST to Existing Units and Units under Substantial Expansion as per the said Notification due to which Unhealthy Competition may be faced from the New Investors in the State who will get the Benefits of Gross GST Reimbursement of 300 per cent in the Investment of Plant & Machinery. It is worthwhile to mention here that majority of the MSME units working in J&K UT with limited Marketing Avenues, Higher Production Cost and keeping in mind the above facts, the Central/State Govt. always provided Fiscal Incentives from Time to Time in all the previous Notifications of Govt. of India/ State Govt. issued since 2002 in which all the Fiscal Incentives granted

to Existing Units as well as to Units under Substantial Expansion at par with the New Units. It is pertinent to mention here that under the State Industrial Policy 2021 the SGST Reimbursement Incentives was given on value Addition only to Existing Units for the Reimbursement of SGST but the Existing Units under Substantial Expansion totally ignored for the grant of GST Link Incentives by State/Central Govt. resulting great Resentment amongst the Existing Unit Holders who are providing Direct & Indirect Employment to 4 to 5 lakh Local People of JK UT and we fear that the working Existing Industrial Units may opt for the Closure of their Units in future due to non availability of Central Govt. GST Link Incentive to Existing Units as well as units Under Substantial Expansion at par with the new Units under the Industrial Development package 2021 which may be resulting into mass scale Retrenchment of Local Industrial Workers & it is the need of the hour to provide GST Linked Fiscal Incentives to Existing Units & Units under Substantial Expansion at par with New Units as per the Industrial Development Package 2021 to save the Local Existing working Units from Closure in near future. The members urged Prime Minister Narendra Modi, Union Home Minister Amit Shah and LG Manoj Sinha for their kind intervention for the modification in the said Notification with the grant of Gross GST Reimbursement to Existing working Units and Units under Substantial Expansion at par with the New Units as per the Central package of Incentive 2021.

"Youth-20 summit will enable youth from world over to see our culture, traditions, untapped and unexplored nature, hospitality of the people of Ladakh and will send a strong message to the neighboring countries who had been casting their doubts on India's resolve to develop the Union Territories of J&K as well as Ladakh," he added.
