

# DB rejects bail plea of LeT person in terror funding case

**STATE TIMES NEWS**  
**JAMMU:** A Division Bench of Jammu & Kashmir and Ladakh High Court comprising Justice Tashi Rabstan and Justice Puneet Gupta upheld the order of Trial Court whereby Trial Court rejected the bail application of Khalid Latif Butt in terror funding case. During the arguments, Senior Additional Advocate General Monika Kohli has argued that the trial court has found sufficient material on record and, therefore, the charges have been framed by the trial court against the accused. The involvement of the accused along with the co-accused is very much evident from the allegations which have been levelled against them. The accused is involved in terrorist activities and letting him off will only prejudice the sovereignty and security of the Nation. The apprehending of the accused, namely, Mubashir Bhat led to the investigation and during investigation other accused were also found to be involved and thus the challan

came to be presented against them. The terror funding and handling of the same by the accused persons along with persons from Pakistan for terrorist activities in the country as mentioned in the challan and also handling of arms and ammunition by them came to fore during investigation. The accused-Khalid Latif Butt is stated to be member of LeT outfit and handled money and arms and ammunition for carrying out terrorist activities in the country. The accused is stated to have given Rs. 20,000 to one Farooq Malik on the directions of Mohd. Amin alias Haroon and Asif, accused in the case for delivery of arms and ammunition. The accused is also alleged to have received grenades and SIM cards from one Toqueer Ahmad-accused and handed over the same to accused-Asif. DB after hearing both the sides observed that in terror related case, the bail has to be granted in a cautious manner as the activities in which the accused is involved pertain to the security of the Nation. DB, while dismissing the petition, observed that the rule of bail and not jail is not applicable to the case of the appellant in the facts and circumstances of the case. The accused can tamper with the evidence cannot be ruled out if he is granted bail. No case is made out for grant of bail in favour of the appellant at this stage of the case.
