SHRADHANJALI

Late Sh. Kamlesh Chander Sharma
RETIRED AEE PWD

Besides being an engineer par excellence, one of the loveliest human beings I have ever met in my life—Kamli Mama was not only renowned for his sharp mind but also for his innate ability to treat everyone with respect and kindness.

His commitment to treating others with dignity and compassion set a shining example for us all. Whether in professional endeavours or personal interactions, his courtesy and thoughtfulness was beyond words.

My interaction with Kamli Mama around year 2005 impressed me when I had a long discussion over massive earthquake in J&K and major parts of PoJK. On sensing his knowledge in diverse fields, I really found an intelligent person in Uncle Kamlesh Chander Sharma, retired AEE PWD -- popularly addressed as Kamli Mama.

Later on various occasions I met him and he always addressed me as if I were very close in relation with him. He always gave me great affection and friend like importance despite me being much young to him in age, less in experience and having very lesser knowledge as compared to him.

Always during discussion with Kamli Mama - which hardly took once or two in a year, he taught me many things required to maintain relations and uplift personal growth.

Kamli Uncle's intellect was matched only by his humility, and I believe he always stood as a beacon of wisdom and guidance for all those around him. This must be known to all those in his family and friends circle who had the privilege of witnessing his brilliance.

Undoubtedly, his absence leaves a void that cannot be filled, and his intelligence will be sorely missed by all who had the pleasure of experiencing it.

As I come to terms with the loss of such a remarkable individual, I take solace in the memories I shared with Kamli Mama and the profound impact he had on me.. Though he may no longer be with us in person, his legacy of kindness, intellect, and integrity will endure as a testament to the life he lived.

In my heart, he will forever remain a cherished memory, and his influence will continue to inspire me in the years to come. Kamli Uncle-- I admit I learnt a lot of things from you. At the same time, --I repent as I missed to visit you at Kathua because of my busy schedule, in last few month, when I learnt about your illness. I feel very low as I couldn't meet you during your sickness. This will keep me haunting for life.

My Pranam to the departed noble soul. May Almighty accord courage to Kamli Uncle's family, friends, children and grand children to bear this irreparable loss.

@VIVEK SHARMA
