

School Labs must act as cradles to future nobel laureates: JKPS Kunjwani

JKPS Kunjwani Principal, Rajesh Rathore and students addressing a morning assembly in the school.

STATE TIMES NEWS

JAMMU: To commemorate the achievements of Great Indian Scientists, researchers and engineers involved in the field of Science & Technology, JKPS Kunjwani celebrated the National Technology Day on Wednesday.

To apprise the students about the use of Technology,

Radhika Bhan of Class 10E spoke about the proud achievements of India in the field of technology. She said that "the day is celebrated to remember about the achievements and efforts made by great legends of our country, who have played a great role in Scientific advancement, namely, Dr. APJ Abdul

Kalam, Homi J Bhabha, CV Raman etc."

Calling India a land of brains and extra ordinary talents, she called them as leaders to the future. She said that "many young and upcoming scientists are in the making across the nation, who are committed to catapult India to the greater heights".

Lauding the achievements, she urged the students "to recall not only their achievements but also the fact that they have taken India to an elite group of nations with nuclear weapons".

She ended her speech by saying that, "England was the conqueror, USA is the Super Power and India is

the Future Narrative". Beautiful posters were displayed and slogan raised by the JKians on the need and use of Technology.

The School Principal, Rajesh Rathore lauded the efforts and exuberance of students. He highlighted the need to become more tech savvy, learn the appropriate use of Labs, observe things

that are happening at the global level, incessantly ignite their spirit of curiosity and apply science in day-to-day life.

He emphasized on the earnest need of the hour "to upgrade & equip the School laboratories, which may stir the imagination of the students and transform them into future Nobel laureates".

Govt Model Cluster School Verinag wins U-14 Volleyball championship

Winner team posing for a photograph with a dignitary.

STATE TIMES NEWS

VERINAG: Zonal Physical Education Officer Verinag organised volleyball competition at Govt. Degree College Ground, Verinag and High School Chowgund for the age group of U14 and U17.

Students from different institutions of zone Verinag took their active participation with zeal and enthusiasm.

He further added that playing volleyball on a regular basis is one way to increase our physical activity level, which will help us get fit and toned, as well as healthy and energetic.

Regular exercise also might help ward off depression and increase feelings of happiness and well-being.

Furthermore he added that in the coming days we will come up with more such competitions so that our students get infused with positive energies.

After winning the championship, Headmaster of Govt Model Cluster School Verinag Mushtaq Ahmed Wani congratulated the students of the school for their performance that won them first prize.

After the completion of Volleyball competition, prizes were distributed to the winner along with runner up teams in presence of the teaching staff and officials.

Senior PEM Ibrahim and NYC ZPEO Verinag Nasir Ahmad Najar distributed prizes among winners and runners on the occasion.

STATE TIMES NEWS

JAMMU: Mothers have always played a special role in our lives. Her unconditional love and support is unmatched. Keeping this in mind and express the love & gratitude towards mothers, Toddlers' World celebrated Mother's Day from May 6 to 10, 2022 with enthusiasm.

It was a series of events wherein students participated in various activities

planned by their Class Teachers.

They showed their talent by reciting poems, singing songs and composing poems on their own and made beautiful picture frame for their mothers. The tiny tots came dressed up as their mothers and spoke keenly and devotedly about their mothers.

Everyone felt mesmerized at having witnessed the simplicity, pure love, innocence

and innovation of the little poets. Teachers made an earnest effort to instill the importance of mother in a child's life through effective thematic presentations and moral stories.

A handcrafted picture frame was given to each child as a token of love on this very special day.

The Coordinator Shivangi Pandotra inspired the children to take
