their respective headquarters.

On the outset of the meeting the CS asked the officers about the progress of the mission and asked them to meet their deadlines without any fail. He asked them to allot all the tendered works till 26th of this month and expedite the completion of works at the earliest.

Dr Mehta also impressed upon the officers to look into the utilization of all the options for better utilization of time and resources. He

advised them to make the work on different components go hand in hand by better coordination and monitoring by the officials.

He urged the officers of the mission to develop the internal monitoring mechanism for its effective implementation. He asked them to create a dashboard that is updated on daily basis to check for the progress and quality of work of the mission. He also stressed on third party evaluation of the works besides greater role

for PRIs in monitoring process.

The Chief Secretary also impressed upon the officers to maintain highest standards in completing works under this national mission. He cautioned them that there is no scope for under performance and each of the officer down to the Junior Engineer should own this mission and perform up to mark. He asked them that any sort of underperformance in this vital sector would be viewed seriously

and action as per law taken against the underachievers.

The meeting was informed that the mission is under implementation from 2019 and institutions like schools, Anganwadi centres and health institutions has been provided piped water under this mission. Every household in gram panchayat is to be covered by tap connection under the mission.

Elucidating further it was said that as per type of scheme and terrain four categories of schemes had been
