RAIGARH: Senior Bharatiya Janata Party (BJP) leader and former Dy. Chief Minister, Kavinder Gupta today met the Chief Executive Officer (CEO), Tata Power, Aashish Khanna at Raigarh in Maharashtra here today.

The former Dy CM invited the CEO to invest in the Power sector in Jammu and Kashmir and become a proactive partner in the transformation of this Union Territory.

The former Deputy Chief Minister along with the Tata Power CEO visited the

Valyan Dam Power Project that is being run by the Tatas.

He discussed with the Tata Power Chief Executive Officer the immense potential of power generation especially the hydroelectric power in the Union Territory of Jammu and Kashmir.

Kavinder invited Khanna to become partner in the development of Jammu and Kashmir by investing in the power projects across this Union Territory. He discussed at length the scope of the Business Giant Tatas investing in the power sector

in J&K as a result of which it would not only transform the power landscape in this UT but would also prove to be an economic booster for this region.

Kavinder, while appreciating the grand performance of Tatas in every sector and every dying business venture becoming highly productive after the takeover, requested Khanna to consider seriously the proposal and suggestion of the proposal and take a decision in this regard only after conducting a meticulous analysis of the pros and cons of such investment to tap the rich hydroelectric potential of J&K not only for this UT but going beyond that in making J&K the major power supplier for the nation at large.

Speaking during the meeting, the Chairperson said that through these deliberations, we should be able to expand the services to all districts of the UT of J&K. She added that in coming days we need to strengthen the visibility through active engagement in communities on gender-based violence.

Some in J&K administration creating controversies to defame BJP, says Raina

■ STATE TIMES NEWS

JAMMU: Jammu and Kashmir BJP President Ravinder Raina on Monday alleged that a lobby is working to defame his party as he tried to pacify angry workers protesting the re-advertising of posts under three schemes where these people were employed.

The government had on Friday re-advertised 'Rehbar-e-Jangal', 'Rehbar-e-Zirat' and 'Rehbar-e-Khel' posts through the Service Selection Board and had said additional weightage and age relaxation will be given to those already working on these posts.

Hundreds of people employed under these schemes on Monday assembled outside BJP headquarters and staged a demonstration demanding revocation of the order under apprehension of end of their services.

I talked to Lt Governor (Manoj Sinha) and Chief Secretary A K Mehta on the issue and was told that there is no such order and the news is fake.

Whenever there is a talk of elections, some people in the administration deliberately come out with

such types of controversies to defame the BJP which is all set to form the government after the next assembly elections, Raina said, addressing the protesters.

He said those found responsible for such rumours should be dismissed from the service, and sought an enquiry into the matter.

There is no government order about your termination, I am saying this with full responsibility, he said.

He also referred to an order issued by the higher education department in January directing active participation of teachers and students to perform Surya Namaskar'.

This was also a deliberate attempt to create a controversy, he said.

Raina said a committee formed by the government in 2020 had made some recommendations but the final decision will be taken by the administrative council headed by Lt Governor.

It was our government which engaged you through proper channels. There are no backdoor appointments and we will not allow any injustice with you, he said.

He asked the protesters to form a delegation of at least 10 members,

and promised them he will arrange a meet between them and the Lt Governor.

Raina, who was accompanied by a strong posse of policemen, was greeted with slogans like we want justice by the angry protesters.

They said they were not satisfied with Raina's arguments and said they will continue their protest till the government issues a written clarification.

We want revocation of the order forthwith to safeguard our future. We have served our departments over the past four years and were gifted with this order at a time when we were hoping to get regularised on the completion of our probationary period, a protester said.

He said it was the previous PDP-BJP government that came out with these schemes to provide employment to over 3,000 well-qualified people, and the selection process was done in a fair manner by the concerned deputy commissioners.

Meanwhile, several opposition parties including National Conference and Aam Aadmi Party (AAP) extended their support to the

protesting workers and demanded revocation of the government order.

National Conference provincial president, Jammu, Rattan Lal Gupta decried the supposed move to disengage the employees.

He said, The motive behind this unprincipled step is clear that the LG's administration is paving way for outsiders at the cost of local youth.

Opposing the order, senior NC Leader Ajeet Bhagat said that his party will come to streets in support of the Rehbar employees and vociferously raise its voice against this highly malicious move of the J&K UT Administration to destroy career of thousands of youth of this trouble torn region.

Former Minister and senior AAP leader Harsh Dev Singh also condemned the supposed decision, and said educated were not disposable.

This use-and-throw policy is highly unjustifiable and shall be fought tooth and nail, he said.

Lamenting that the unemployment rate in J&K had become the highest in the country, Singh urged the Lt Governor to personally intervene in the matter.

May 17, a minor girl was kidnapped and sexually assaulted by three persons including a juvenile in outskirts of Srinagar City. According to police soon after receiving complaint, FIR No.57/2022 was registered at police station Nigeen Hazratbal and within no time the accused trio was arrested. Police further said, that three persons kidnapped a girl from Taqdeer park Hazratbal and sexually assaulted her in a rented house at Mallabagh.

"Accused trio are from Sopore area of district Baramulla and were living in a rented home," Police informed.

Meanwhile confirming this incident a police officer said that a case under relevant sections of law has been registered and investi-

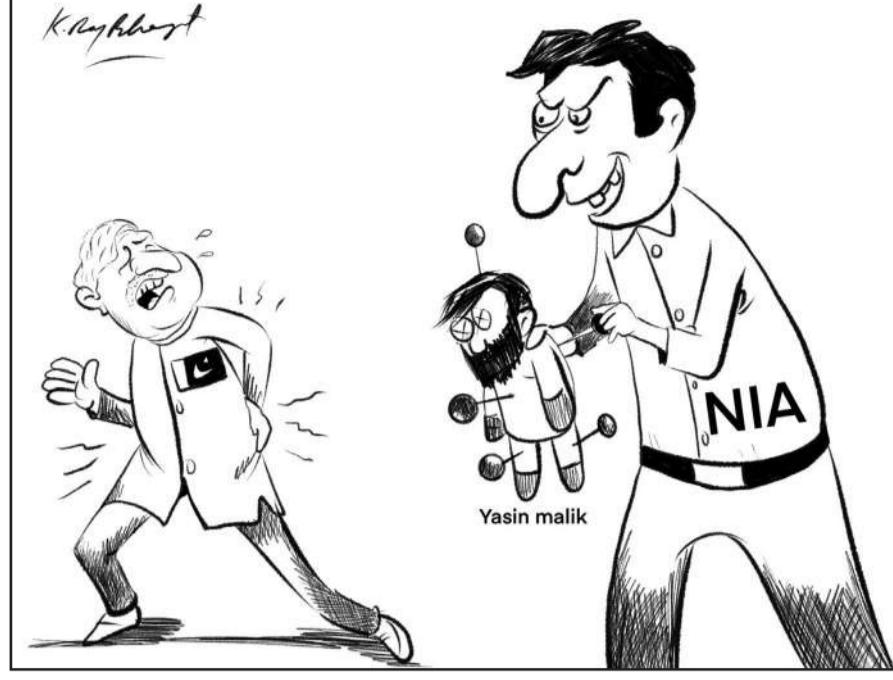

gation is going on.

In another shocking incident on May 22, Police arrested a man for allegedly raping a 19-year-old woman in Budgam district. As per police, accused namely Mudasir Ahmed Wani, resident of Zagoog Khareen was apprehended by police from Zagoog Khansahib within 5 hours after victim's father lodged a complaint stating therein that his daughter was raped. FIR Number 67/2022 under relevant sections of law was registered at Police Station Khan Sahib and investigation taken up, police said.

"Medical examination of the victim was conducted by a board of doctors at SDH Khansahib," the official added.

The increasing number of rape cases in Kashmir Valley raises a question on the safety of women, as now there is not even a single day when no such case is reported. It is the need of the hour for quicker implementation of the laws for dispensing justice to victims. Locals of Kashmir Valley demanded that stringent laws, rules and regulations need to be incorporated as well as implemented with effective means in order to curb the menace from the society. Special commissions need to be set up in order to specifically look into such matters besides holding awareness programmes to make people aware of issues related to rape.
