Proposed power tariff obstacle for industrial growth: BBIA

■ STATE TIMES NEWS

JAMMU: To discuss proposed hike in power tariff for Industrial sector as per petition filed by Jammu Power Distribution Corporation Ltd (JPDCL), a meeting of the members of Bari Brahmana Industries Association (BBIA) was held on Wednesday under the Chairmanship of Lalit Mahajan and attended by Tarun Singla Sr Vice President, Ajay Langer Vice President, Virraaj Malhotra General Secretary, Rajesh Jain Secretary, Vivek Singhal Treasurer besides a number of other members. Speaking on the occasion, Mahajan said that due to proposal to hike power tariff from 36 per cent to 71 per cent along with substantial increase in Fixed/ Demand charges for year 2022-23 for Industrial sector of J&K, an uncertainty is prevailing among existing industrial units as well as prospective investors who are in process of setting-up of new units in J&K. "As per the proposal, there is a steep rise in tariff for industrial sector from 36 per cent to 71 per cent, which is really a matter of concern and can prove as an obstacle for industrial growth of Union Territory of Jammu & Kashmir," he added.

The members further said that PDD failed to reduce AT&C losses which is projected @ 43.77 per cent for FY 2022-23 whereas National Level average AT&C losses is approximately 20 per cent. JPDCL has also highlighted in the Petition the justification of gap between Purchase and Supply of Energy which is as our opinion only due to excessive Transmission Losses in comparison to National Level, whereas in respect of Industrial Units working in Bari Brahmana Industrial Complex, the transmission losses are well within the prescribed limit," he asserted. It is worth mentioning here that the prospective investors, who are in process of setting-up their units on basis of Industrial Package 2021 announced by Government of India with a slogan of 'Cheap Power available in J&K UT, may opt for shifting their projects to other States which are offering comparable lower power tariff and electricity duty.

The BBIA members urged LG Manoj Sinha, Nitishwar Kumar Principal Secretary to LG & Power Development Department to kindly look into matter and issue necessary directions for the withdrawal of proposed petition.
