Major demands highlighted

## Tobacco leading cause of cancer in India: Dr Ankur

### ■ STATE TIMES NEWS

JAMMU: According to WHO, tobacco kills more than 1 million each year in India, which accounts for 9.5% of all deaths in the country. Dr. Ankur Bahl, Senior Director Medical Oncology and Hemato-oncology at Fortis Memorial Research Hospital, Gurugram said "The increasing burden of cancer is quite worrisome. Mainly tobacco and alcohol consumption is considered the major reasons for cancer. The main reasons for the spike are delayed diagnosis and lack of access to holistic and supportive care. Only a fraction of patients finish the whole treatment due to financial constraints, alternative medicine approach, or disinformation about cancer being incurable. Moreover, the unavailability of cancer screening facilities, in Tier 2 and Tier 3 cities, is another key reason for the huge increase in cancer incidences. Additionally, obesity, a sedentary lifestyle, and environmental factors, tobacco and alcohol, contribute to the growth in cancer cases in the country".

Dr Ankur Bahl further said "Early detection and subsequent prevention policies and programmes can reduce their numbers. If people consult the oncologists and obtain the opinion early and are detected cancers at an early stage, several lives can be saved".

## Rudra Ganga Yatra Trust holds meeting, inducts new members

### ■ STATE TIMES NEWS

## Govt failed to deliver even basic amenities to people: Uday, Hari Singh

### ■ STATE TIMES NEWS

JAMMU: The present government has miserably failed to ensure delivery of basic amenities like availability of ration, frequent supply of power and water & unemployment besides affected people and the farmers.

This was stated by Uday Chib, President J&K Pradesh Youth Congress after observing the problems being faced by people during his visit to Village Kalakam, Panchayat Kot in Jammu North

Assembly constituency. Hari Singh Chib, President DCC Rural Jammu also accompanied President JKPYC. During the meeting, the residents of village Kalakam highlighted the discrimination being faced by them due to lack of basic amenities like

dilapidated condition of lanes and drains and scarcity of power and water crisis.

Uday termed it unfortunate that people were being subjected to immense suffering by failing to provide them requisite succor to the deserving people. He said that the governance failures writ large in almost every field, adding to the miseries of each and every section of the society.

Uday Chib called upon the government to address the issues concerning the people of Jammu North Constituency. He said the people are totally disillusioned as the administrative inertia has impacted the deliverance at the grass roots level.

Hari Singh Chib, in his address, said that due to lack of vision and wrong policies of

the BJP Government at the Centre, people of J&K are facing a crisis like situation with each segment of society feeling abject neglect. The present government has failed to ensure delivery at the basic levels like availability of ration, power, health, education sector and unemployment. He said that the employees of different categories including teachers, daily wagers, casual and need-based workers and other such categories of people are regularly seen on protests for their just and genuine demands.

Hari Singh Chib asked the Lt Governor to take serious note of people's sufferings and give necessary directions to the authorities concerned for addressing the genuine demands of people of Jammu North Constituency.

## Sadhotra calls for ending stalemate between SASB, Langar Associations for smooth Amarnath Yatra 2022

### ■ STATE TIMES NEWS

JAMMU: Highlighting the huge and crucial contribution of the Langars from across the country in smooth conduct of Shri Amarnathji Yatra on Kashmir Himalayas, former minister and senior National Conference leader Ajay Kumar Sadhotra PN Sunday urged the Shri Amarnathji Shrine Board (SASB) to adopt pragmatic approach based on team spirit in resolving the issues in the larger interest of pilgrims.

Referring to the concerns of Shri Amarnath Barfani Langar Organisation (SABLO) and Shri Amarnath Yatra Bandara Organisation (SAYBO) with regard to the conditions laid down for running the Langars on Baltal and the traditional Pahalgam routes, the former minister called for evolving a viable mechanism, agreeable to both the sides, in view of the pilgrimage coming closer. He said in a statement, hoping that the two organizations will also show flexibility in their approach and restrain from expressing their views in public domain about continuation of the facility. Sadhotra recalled the huge services of the Langars during harsh climatic conditions on all important points on both the routes by not only braving weather vagaries but also remaining agile to the security related issues.

The Langars have performed as frontline workers during most testing times of the Yatra in the

past two and half decades when the yatra resumed again in late nineties in the wake of the disturbed conditions.

The round the clock facility from Jammu to the holy Shrine at 13000 feet above sea level has been like a lifeline for the pilgrims, who have been getting best and hygienic eatables free of cost, he said and urged the SASB to consider the main demand of lodging a set number of members of the Langars, who throng from various countries for paying obeisance at the cave shrine.

He said the establishment of the SASB was a conscious decision taken during the tenure of Dr Farooq Abdullah as Chief Minister to ensure smooth and regulated yatra with best facilities available to the pilgrims keeping in view the terrain, topography and weather of the area.

Accordingly, the Shri Amarnathji Shrine Board (SASB) was constituted by an Act of the Jammu & Kashmir State Legislature in 2000 for the better management of the Yatra, upgradation of facilities for holy pilgrims and matters connected therewith to make their journey the most cherished one, he added. "Mutual respect and better understanding holds the key to resolving the issues", Sadhotra said, hoping that the SASB will take the first step in ending the avoidable stalemate. He described the yatra as reflection of Jammu and Kashmir's glorious pluralistic ethos.

## Deptt of Ophthalmology ASCOMS holds CME

### ■ STATE TIMES NEWS

JAMMU: Field of ophthalmology has seen great evolution over years and Department of Ophthalmology ASCOMS is also moving at par with latest trends in Ophthalmology under leadership of Dr Dinesh Malhotra, HoD Ophthalmology, ASCOMS. In one such initiative, a CME was organised recently by the Department of Ophthalmology under guidance of Jammu ophthalmological society on latest topics of Trifocals, Phakic IOLs and Toric IOLs.
