

Regulate drinking water, power supply in Bhalwal area: Sadhotra

Senior NC Leader Ajay Sadhotra interacting with people of Bhalwal at Mandi in North Assembly Constituency.

■ STATE TIMES NEWS

JAMMU: Former Minister and Senior National Conference leader Ajay Kumar Sadhotra on Tuesdays expressed serious concern over drinking water scarcity in the villages of Bhalwal area of the Jammu North Assembly Constituency, describing it as worst example of misgovernance. "It is unimaginable even to think how people must be facing the situation without drinking water in these scorching summer days for such longer durations", Sadhotra said while interacting with the residents of Bhalwal at Mandi Bhalwal in Jammu North Assembly Constituency.

Sadhotra said that the parody should be completed with the couplet by adding '20 din Baad Jal'. Due to erratic power supply, tap water gets hugely affected in all the areas like Raipur, Karwanda, Roopnagar, Janipur, Keran, Thathar, Kanger, Chinore, Badani, Kalakam, Paloura, Muthi, Patoli and other villages but the situation in the Bhalwal area is all the more different. The cal-lousness of the concerned department has left the residents high and dry in literary sense of the term, he added. He said the divisional administration should ensure regulated drinking water and power supply.

Office of the Executive Engineer, Mechanical Hospital & Central Heating Division, Government Medical College & Hospital, Jammu
