### Bhalla resents delay in issuing roll number slips, information about exam centres for CUET-2023 J&K students

■ STATE TIMES NEWS

JAMMU: Hundreds of students have been left in a state of despair after the National Testing Agency (NTA) fails to designate their examination centres for Common University Entrance Test (CUET)-2023 when the examination is tomorrow.

This was stated by JKPCC Working President Raman Bhalla reacting over delay in issuing roll numbers and exam venue even just one day before examination.

He said this decision has left students, especially those from impoverished backgrounds in a state of distress, saying they cannot afford the travel expenses to each at exam centres.

Delaying roll number slips and information

about exam centres has caused significant disruption and added burden on these ambitious students, who were already overburdened with the challenges of preparing for the highly competitive entrance test, added Bhalla.

"The majority of these candidates hail from financially disadvantaged families, where covering the costs of traveling becomes an obstacle," he said.

He said students had given their preference for an exam centre within J&K but were left in a state of shock after they came to know their exam centre was allotted outside Jammu and Kashmir.

This forced aspirants and their concerned parents to protest.

Demanding a prompt resolution to this issue, the aggrieved parents had passionately appealed for the immediate relocation of their children's exam centers to Kashmir and then L.G Administration wake up from slumber.

Bhalla said that these aspiring students have been diligently preparing for the CUET and deserve fair and equitable treatment in the examination process.
