

Delhi HC issues notice to Yasin Malik on NIA plea seeking death penalty for him

■ STATE TIMES NEWS

NEW DELHI: The Delhi High Court on Monday issued a notice to separatist leader Yasin Malik, who is presently serving a life term, on a plea by the National Investigation Agency seeking death penalty for him in a terror funding case. A bench of Justices Siddharth Mridul and Talwant Singh also issued warrants for production of Malik before it on August 9. Solicitor General (SG) Tushar Mehta, who appeared on behalf of the National Investigation Agency (NIA), argued that the accused indulged in terrorist and secessionist activities and should be awarded death penalty by treating the matter as a "rarest of rare" case.

Mehta stated that Malik committed the "sensational" killing of four IAF officers and even kidnapped the daughter of then home minister Mufti Mohammad Sayeed which led to the release of four dreaded criminals who masterminded the 26/11 attack in Mumbai in 2008.

"In view of the ground that Yasin Malik, sole respondent in this appeal, has inter alia pleaded guilty to a charge under IPC section 121 (waging war against the Government of India) which provides for an alternate death sentence, we issue notice to him... to be served through the jail superintendent," the court ordered.

Let warrants be issued for his production on the next date of hearing, it added.

The court also issued

notice to Malik on NIA's application seeking condonation of delay in "re-filing" the present appeal.

Mehta urged the court to condone the delay, saying "technicalities" should not have a bearing in matters such as the present one.

On May 24, 2022, a trial court here had awarded life imprisonment to Jammu Kashmir Liberation Front chief Malik after holding him guilty for various offences under the stringent Unlawful Activities (Prevention) Act (UAPA)

and the IPC. Malik had pleaded guilty to the charges, including those under the UAPA, and he was convicted and sentenced to life imprisonment.

Before the high court, SG Mehta said the NIA's plea was an appeal against the sentencing order as he emphasised that a terrorist cannot be awarded life sentence because he has pleaded guilty and chosen not to go through trial. Such a tactic by an accused to avoid death penalty, he said, cannot be allowed when he knows that facing trial would lead to imposition of capital punishment. "Any terrorist can come here, do terrorist activities, plead guilty and court says since he has pleaded guilty, I give him only life term and not capital punishment," said Mehta, adding that even Osama bin Laden would have been permitted

to plead guilty here and that "possibly the USA was right" in its dealing with the Al Qaeda founder.

The court responded that there could be no comparison between Malik and Laden as the latter never faced trial and it would not comment on matters affecting foreign relations.

During his submissions, Mehta said Malik crossed over to Pakistan for training, was coordinating stone pelting and spreading "rumours" on social media about oppression by security forces. "If this is not 'rarest of rare' when someone is continuously, by armed rebellion, killing army people and propagating one region of the nation as separate, there can never be rarest of case. This is rarest of rare case (for awarding a death penalty)... If this is not, what could be," he said.

25,000 devotees attended Kheer Bhawani mela in Kashmir : Amit Shah

■ STATE TIMES NEWS

NEW DELHI: Union Home Minister Amit Shah on Monday said over 25,000 devotees attended the Kheer Bhawani mela

by the locals of the Kashmir valley. The temple is located in Ganderbal district, about 25 kilometres from Srinagar. Comprehensive and elaborate arrangements were made by the Ganderbal district administration to ensure devotees have a comfortable stay, the state-

ment said. The Ganderbal district police had made elaborate security arrangements with 20 companies of the Central Armed Police Forces along with the Jammu and Kashmir Police, escort vehicles, road opening parties, counter-terror quick reaction teams, and law and order components, while additional naka points were part of the overall deployment plan. Ten community kitchens (lungars) were set up to take care of the meals of the devotees. With the evening aarti and puja on May 28, the mela concluded peacefully. Kashmiri Pandits and other local communities prayed for the peace, prosperity and happiness of their beloved ones and the society, the state-

ment said. Last year, around 18,000 Kashmiri Pandits and devotees visited the Mata Kheer Bhavani temple on Jyeshtha Ashtami. Kheer Bhavani is considered to be the deity of Kashmiri Pandits. Over the years, the Kheer Bhawani Mela has become a symbol of communal harmony and brotherhood in Kashmir.

NGT panel suggests banning civil construction in subsidence-hit area of Doda

■ STATE TIMES NEWS

NEW DELHI: A National Green Tribunal panel has recommended banning civil construction in the land subsidence-hit area in Jammu and Kashmir's Doda district, and rehabilitating the affected families to a safer location.

In February, the authorities evacuated several families from their homes after they developed cracks and declared unsafe a mosque and a religious school for girls in the Nai Basti hamlet of Thathuri town.

The situation had drawn similarities with Joshimath, the gateway to famous pilgrimage sites like Badrinath and Hemkund Sahib and international skiing destination Auli, which is facing a major challenge due to land subsidence.

The authorities, however, refused to compare the two.

The nine-member panel headed by the Jammu and Kashmir chief secretary submitted its report to the National Green Tribunal (NGT) last week. In the report, it suggested that people outside the affected area be immediately moved if major cracks emerge in their homes.

"No further civil construction within the affected area of Nai Basti may be allowed. In view of the coming monsoon season, the affected area needs to be under observation of the district administration. In case of any new sign of major cracks in houses outside the affected area, residents (are) to be evacuated immediately."

"As a precautionary measure, people living in houses outside the affected area and adjoining houses/structures not yet affected may also be asked to relocate to a safer place," the report stated.

The experts in the panel recommended filling up the cracks with cement slurry well before the onset of monsoon to control

the percolation of rainwater/surface water.

"The natural diversion and drainage channels within the area may be restored or renovated immediately so that the surface run-off could be diverted. Proper drainage and sewer plan for the entire area to be developed and implemented," they said.

The committee said construction outside the affected area can be allowed only after geotechnical assessments such as soil bearing tests.

"No subsurface engineering

activity may be allowed within an area circumscribing 500 metres of the affected location," it said.

Since the affected area is situated just above the Chenab river channel, it suggested constructing a gabion wall of suitable dimension on the riverside to stop erosion.

The panel said a retention wall of around 400 metres with weep holes can be constructed near the base of the landslide area (at the toe of the slope) at the road level to stop further slope failures.
