During the meeting, the participants discussed various issues of development, and backwardness in the region because of the incompetence of the National Conference, and the Peoples Democratic Party. "These parties were involved in a divisive agenda and hence, they misled the people to get the

She said that the Party is committed to bring prosperity in the region with equitable development and generating employment avenues for the unemployed youth. Ensure uninterrupted 24-hour power supply to industrial units in Bari Brahmana: BBIA

STATE TIMES NEWS
SAMBHA: The Bari Brahmana Industries Association (BBIA) convened a meeting to address the issue of unscheduled power cuts affecting industrial units in Bari Brahmana. Led by President Lalit Mahajan, the meeting included senior members such as Tarun Singla, Ajay Langer, Viraj Malhotra, Rajesh Jain, and Vivek Singhal. Members expressed serious concern over the prolonged and frequent power cuts, which have resulted in significant

financial losses for industrial units despite the substantial annual revenue collected by the Department from the Bari Brahmana Industrial Complex. It was revealed during discussions that the power supply from the BBI Grid Station was frequently disrupted without prior notice. Although officials cited faults in the 220KV/132KV Hira Nagar-Bishmah-Miran sahib-Bari Brahmana Line as the cause, it was noted that the Department had the option to shift power supply from

the Gladni Grid Station in such cases. Members criticized the lack of coordination between departments responsible for power supply to industrial units, resulting in substantial production and financial losses for businesses. They urged Lt. Governor Manoj Sinha, Principal Secretary H. Rajesh Prasad, and Managing Director Vikas Kundal to intervene and direct concerned Chief Engineers to ensure uninterrupted 24-hour power supply to industrial units in Bari Brahmana.
