Leverage VVP to transform the lives, livelihoods in border villages: Dulloo

■ STATE TIMES NEWS

SRINAGAR: Chief Secretary Atal Dulloo on Thursday held a detailed meeting of the concerned to take the assessment of the preparedness of the administration for implementation of the centrally sponsored Vibrant Villages Programme Phase-II here in the identified border villages of the UT.

The meeting besides Secretary, PD&MD was attended by the concerned Deputy Commissioners and other concerned officers of the Department.

The programme, spearheaded by the Ministry of Home Affairs, Government of India, aims to bring sustainable development, security integration, and socio-economic vibrancy to strategically significant border villages across India, including 124 villages in J&K. In his remarks the Chief Secretary impressed upon the Planning Department to leverage this programme for transforming the lives and livelihoods of these border inhabitants in line with the vision of the Prime Minister of the country. He maintained

that the belief of the PM is to treat these border villages as 'Pratham Gaon' meaning the frontline villages of the country deserving all attention and focus of the government for their development and sustainability. Dulloo also called for laying focus on the implementation of the programme by designating the Village wise nodal officers especially the SDMs of these areas for their smooth and effective implementation on ground. He called on them to assess the capacity of each village and utilize the schemes like HADP, Mission YUVA, Daksh Kisan, JKRLM etc to make these villages a model in agriculture, horticulture, skilling, tourism as per their innate strengths.

The Chief Secretary also directed the concerned Deputy Commissioners to take immediate actions to complete service and infrastructure gap analyses in close coordination with BGFs. He also emphasised upon expediting formation of District and UT-level committees for submitting the first batch of Village Action Plans to MHA with-

in stipulated timeframe.

He further stressed the importance of community engagement, inter-agency convergence, and the role of youth and local institutions in making this programme a success.

The Secretary, PD&MD, Talat Parvez Rohella while throwing light on different aspects of this programme gave out that a total of 124 border villages across 43 border blocks in eight districts of J&K including Jammu, Samba, Kathua, Rajouri, Poonch, Bandipora, Baramulla, and Kupwara have been selected for development. Additionally, four more vulnerable villages in Poonch district have been recommended for inclusion due to displacements from cross-border shelling.

He further elaborated that the key objectives and outcomes of this programme encompasses bringing the cultural vibrancy in these villages along with supporting the inhabitants to better their lives and livelihoods through infrastructure upgradation and livelihood generation across these vil-

lages. It was also made out that VVP-II aims at promoting cultural integration and foster a sense of belonging through community-led development and is 100% centrally funded to be implemented over the next five years (2024-29) in convergence mode.

The Prime components, as defined in the meeting, constitutes infrastructure development by leveraging PMGSY-IV for all-weather roads, Digital Bharat Nidhi for telecom expansion, RDSS for rural electrification, and BIND Scheme to ensure TV and media access With respect to livelihood and economic growthSHG-based value chain development, cooperatives, and rural tourism is focussed upon. In addition to that support for eco-agriculture, organic farming, and craft-based industries, skill development initiatives for youth and women to establish the eco-resorts, rural homestays, and cultural hubs there.

In order to bring in cultural and social vibrancy in these villages festivals, sports events, and national celebrations are to be regu-

larly organised to revitalize community spirit, promote local heritage, tribal art, and traditional knowledge systems prevalent in these villages. As far as the monitoring mechanism for this programme is concerned at the District Level Committees (DLCs) headed by Deputy Commissioners had been tasked to vet village eligibility, conduct gap analyses, and prepare Village Action Plans (VVAPs) in coordination with BGFs.

The same needs to be approved by the UT-Level Screening Committee (UTLSC) chaired by the Chief Secretary for strategic alignment and cost-effectiveness, and recommend viable projects to the Ministry of Home Affairs for their approval and funding for implementation.

It was concluded that VVP-II is going to transform these border habitations into vibrant, self-sustaining, and secure ecosystems - aligned with the Government of India's broader vision for inclusive and strategic border development in the whole of the country.

DC Poonch inspects academic activities after reopening of schools

■ STATE TIMES NEWS

POONCH: As the educational institutions in the district reopened after several days of closure due to cross border shelling, the Deputy Commissioner Vikas Kundal visited various schools on Thursday to assess the situation and ensure that academic activities are resumed smoothly. During the visit to Government Boys Higher Secondary School here, the Deputy Commissioner interacted with students and staff, reviewed school facilities, and checked the attendance of students and staff availability. He also visited the ICT lab and multiple classrooms, engaging directly with students to understand their experiences and boost their morale.

The DC appreciated Ahsan Ul Haq, a student of Class 10,

for his remarkable achievement of winning a bronze medal in the 68th National School Games in the discipline of Boxing. He congratulated the student for bringing pride to the school and the district, and encouraged others to excel in both academics and co-curricular activities.

The Deputy Commissioner emphasized the importance of maintaining a supportive learning environment. He also assured that the district administration remains committed to addressing the needs of schools and ensuring students have access to quality education.

The visit reflects the district administration's continued support for education and its commitment to ensuring a safe, encouraging, and positive learning environment for all students.

GGM Science College celebrates International Biodiversity Day

■ STATE TIMES NEWS

JAMMU: To commemorate International Biodiversity Day, the Department of Environmental Sciences, in collaboration with the National Service Scheme (NSS), organized a Biodiversity Awareness Programme at GGM Science College on the theme "Harmony with Nature and Sustainable Development." The event was held under the esteemed patronage of Prof. (Dr.) Romesh Kumar Gupta, Principal of the college.

As part of the celebration, NSS volunteers actively participated by capturing photographs of flowers, mountains, rivers, trees, and plants, showcasing the rich biodiversity around them. They also wrote meaningful captions showing their love and connection with nature.

Some volunteers also engaged in watering plants, promoting the message of environmental responsibility and care.

The programme aimed to sensitize students to the importance of biodiversity conservation and the need to adopt sustainable practices for a better future.

The event was organized under the guidance of Dr. Rahul Kait and Dr. Neha Sharma, NSS Programme Officers, along with Prof. Poonam Kundan, Assistant Professor, Department of Environmental Sciences. Their efforts and coordination led to active and enthusiastic participation from the students.

The celebration at GGM Science College served as an inspiring platform for students to engage with nature and reflect on the importance of living in harmony with the environment.

Civil Defence training Camps organised at Rajouri, Thanamandi

■ STATE TIMES NEWS

RAJOURI: On the directions of Deputy Commissioner Abhishek Sharma, a series of Civil Defence training and awareness camps were organised on Thursday in different parts of the District Rajouri to enhance disaster preparedness among the public and Ex-Servicemen from border areas. A dedicated training/awareness camp was held at the Zila Sainik Board under the supervision of Deputy Controller Civil Defence, Jabeen Lone. The camp witnessed active participation from Ex-Servicemen residing in various border regions, who were equipped with essential knowledge and practical skills in basic civil defence techniques. The programme aimed to empower them to act effectively in

times of emergencies.

As part of the ongoing training drive, another awareness camp was organised at Municipality Hall Thanamandi. The camp focused on spreading awareness about disaster management, first response actions, and the importance of community preparedness.

The week-long civil defence initiative has seen enthusiastic participation from the general public and aims to build a culture of safety and resilience across the district.

The District Administration Rajouri, under the leadership of DC remains committed to strengthening grassroots-level disaster response mechanisms through regular training and public engagement activities.

Once criminal proceedings are going on, person cannot seek release of full pension: HC

■ STATE TIMES NEWS

JAMMU: Justice Sanjay Dhar of Jammu & Kashmir and Ladakh High Court holds that Once criminal proceedings are going on against the petitioner, he cannot seek release of full pension at this stage.

This judgment has been passed in a petition filed by one Mustaq Ahmed Khan 1. challenging order dated 03.10.2023 issued by respondent No.2, whereby penalty of compulsory retirement with no effect on his pension/gratuity has been imposed upon him.

As per case of the petitioner, he was working in paramilitary force and later on superannuated in the year 1999. He got re-engaged with the respondents in Ex-Serviceman category in the year 2003 and was posted at International Airport, Srinagar: It has been pleaded that the petitioner had entered into wedlock with one lady, namely, Sarwar Jan that ended in divorce in terms of divorce deed dated 20.08.2017. It has been further submitted that later on the petitioner entered into a fresh wedlock with another lady, namely, Sajida Alia Tabasum as per Muslim law. However, due to ill health of his second wife, she left the petitioner and he had to divorce her as well.

It has been submitted that one of the neighbours of the petitioner lodged a false and frivolous FIR against him before Police Station, Kupwara, and he was arrested in the said case. It has been further submitted that pursuant to registration of said FIR and his arrest, the petitioner was suspended, whereafter he was compulsorily retired from service in terms of impugned order dated 03.10.2023, though the actual date of his retirement is 30.11.2025.

According to the petitioner, he approached the respondents for reinstating him but his request was not considered. It has been claimed that the petitioner has not been given any opportunity of hearing by the respondents nor any enquiry was conducted against him. Thus, the respondents, without adopting due process of law, have compulsorily retired the petitioner.

Justice Sanjay Dhar after hearing both the sides observed that in the face of circumstances, giving an opportunity to the petitioner to produce evidence or to examine/cross-examine the witnesses would have been an empty formality. Even when the petitioner was asked to file his representation against the enquiry report, he has not challenged the finding of the Enquiry

Officer. However, he has taken a stand that now he has entered into a compromise with the second wife who had filed the complaint against him, as such, the case against him be closed.

In the face of unequivocal admission of the petitioner to the charge levelled against him, the finding rendered by the Enquiry Officer, on the basis of which the impugned order has been passed, cannot be interfered with. Court further observed that so far as the contention of the petitioner regarding non-payment of pension is concerned, in this regard, the respondents have clearly stated due to pendency of criminal proceedings arising out of FIR No.47/2023 registered with Police Station, Kupwara, provisional pension has been sanctioned in favour of the petitioner. Once criminal proceedings are going on against the petitioner, he cannot seek release of full pension at this stage. The respondents have, therefore, rightly resorted to sub-rule (3) of Rule 8 of CCS (Pension) Rules, 2021 by sanctioning provisional pension in favour of the petitioner.

With these observations, High Court does not find any merit in this writ petition. The same is dismissed accordingly.
