BJP Govt 'sabotaged' industrial estate project for Majalta sanctioned by Omar-led dispensation: Sunil

■ STATE TIMES NEWS

UDHAMPUR: National Conference on Friday condemned the BJP government at the centre for hindering the Industrial estate Project envisaged and sanctioned by the then NC Government led by the former chief minister Omar Abdullah.

Addressing a workers meeting here, District President NC Udhampur, Sunil Verma said that BJP has sabotaged the vital project which could have proved to be a game changer for the people of Udhampur District as the same had a vast scope to address unemployment besides boosting the local economy, which was the need of time. He said that the myopic vision of the BJP leadership has failed the people of the district and that is the reason that unemployment is at peak not only in Udhampur but in the entire Jammu and Kashmir.

The senior NC leader said that the BJP leadership is busy in making castles in air

over development because on ground the people are suffering as never before because there is no concrete policy for the youth. "The recruitment processes are marred with neck-deep corruption followed by 'eye-wash' probes as in the case of SIs selection by JKSSB", he alleged, adding that people's problems have been increased manifold times and there is no solution in sight because the leadership of the ruling party has no time to think about the miseries of common man which is evident from the status of poverty, unemployment, poor public edifice, dwindling healthcare facilities and above all policy deficit to overcome all these problems.

Verma said if the sanctioned Industrial Estate as Majalta Block in Udhampur was brought into existence by the BJP government, the major problem of unemployment would have been addressed and youth's problems got diluted with prosperity ruling the roost.
