Traffic Police seizes over 150 vehicles without HSRPs

Traffic police personnel along with seized vehicles without HSRPs.

STATE TIMES NEWS

JAMMU: Traffic Police City Jammu seized over 150 vehicles who were plying without having HSRP (High Security Registration Plate) since last 2/3 days.

The special traffic naka's were established on daily basis in different parts of the city led by DySP's concerned under the supervision of Addl SP Traffic Raj Paul Singh and seizure drive was conducted under the direct and overall supervisions of Dr Koshal Sharma JKPS, SSP.

"The idea of the spl drive is

to sensitise commuters about the importance of HSRP. An in-built chip on the HSRP helps in scanning the records of the vehicles and the number plate also reflects better at night," said Raj Paul Singh Addl SP traffic.

SSP Traffic City Jammu told that such drives are an ongoing process and advisory regarding HSRP number plates has already been issued by the Transport commission earlier wherein it was urged upon drivers to install the HSRP number plates by 15 June.

SSP Traffic City Jammu again appealed to the general public to get their vehicles fitted with HSRPs who have not done till now.

"Since last 2/3 days we have seized nearly 150 vehicles on different parts of city Jammu from Patta Bohri Talab Tillo, Satwari, Kunjwani, Narwal, Paloura, Ban Talab Janipur, Ambphalla etc", SSP said.

A group of youth, who have already cleared physical and medical tests and were waiting for their written examination to join the Army over the past couple of years, staged a demonstration against the new recruitment policy at Chadwal in Kathua district, officials said. They said the protesters, chanting slogans against the scheme and the BJP, tried to block the Jammu-Pathankot highway but their attempt was thwarted by police who used mild lathicharge to chase

traffic city Jammu. The seizure drive is closely monitored by Vivek Gupta DIG traffic range Jammu and Vikramjit Singh IGP traffic JK.

Dr Koshal Sharma, SSP traffic said that it is mandatory for vehicles to have high security number plates and further added that HSRPs have helped to reduce the number of vehicle thefts and also identify the stolen vehicles and can prevent misuse of stolen vehicles by ANEs.

ROC J&K offers Legal Traineeship programme for law graduates, under-graduates

STATE TIMES NEWS

SRINAGAR: Following approval of competent authority accorded by Union Ministry of Corporate Affairs to extend legal traineeship programme for fresh law graduates and under-graduate law students by another year, the AROC and Official Liquidator Haamid Bulkhari has issued letter to all the law schools and Universities within J&K requesting them to nominate 4-5 law students for the said programme. As per an official communiqué, the letter mentions the terms and conditions for the said Internship course, further students are advised to apply through the departmental route only and no application shall be accepted if not forwarded through proper channels. Meanwhile, this is first of its kind programme where-in law students of J&K would also get an exposure to work with the Government of India's offices at both the places Jammu and Srinagar and would learn the new aspects of the public.

The recruitment in the armed forces on contractual basis is not acceptable, he said, adding "any attempt to turn the Army into a private limited company will not be tolerated".

Unveiling the scheme on Tuesday, the government said youths between the ages of 17-and-a-half and 21 years would be inducted for a four-year tenure while 25 per cent of the recruits will be retained for regular service. The upper age limit was raised to 23 years on Thursday as the protests against the new model for enrolment of soldiers into the Army, Navy and Air Force spread.

The new scheme for the recruitment of soldiers in the three services was projected by the government as a major overhaul of the decades-old selection process for the past two years, only Law School University of Kashmir

has been nominating students for the said programme and two successful batches culminated their legal traineeship programme in the years 2020 & 2021 respectively.
