Congress demands HC-monitored independent probe into alleged multi-crore PSI selection case

STATE TIMES NEWS

JAMMU: Congress on Wednesday demanded a high court monitored independent probe into the PSI selection matter in the wake of serious allegations of the multi crores recruitment scandal involving some influential hands and powerful persons

Reacting to reports about the involvement some influential hands into the alleged multi crores recruitment scam and protests by aggrieved candidates demanding high level JKPCC Chief Ravinder Spokesperson Sharma said that a high-level court monitored independent investigation only can bring about real truth. He referred to the reports in the media pointing out involvement of some highly powerful persons behind the alleged scam with preliminary leaks leading to the suspicion of one of biggest recruitment scam, if proved, it is nec-

essary that an independent

probe monitored by the court is held in the serious matter involving future of lakhs of youth, applying and appearing in various recruitments. As per reports, over 97000 candidates appeared in the written examination of PSI and when this result itself is in the needle of doubt, it involves the confidence and career of lakhs of youth seeking jobs like this. Sharma said that there is a general belief based on the outcome of the result of some candidates that there is something serious-

without waiting for last date, so that no evidence gets destroyed. The delay can be fatal, hence the Govt. should get immediate feedback a preliminary report for referring the matter to an independent investigation and the court may monitor the probe, he said.

PDP holds protest against 'Angipath' scheme STATE TIMES NEWS

JAMMU: Dubbing the much-touted "Agnipath" scheme as another cruel joke with the unemployed youth of the country, the Peoples Democratic Party (PDP) under the leadership of Harmesh Singh Slathia, Additional General Secretary of the Party held a peaceful demonstration against this anti-youth scheme.

PDP asked the union government to immediately withdraw the "Agnipath scheme" because is not good for the youth.

PDP leaders criticized the BJP-led central government and pointed out that from time to time this regime has started anti-people schemes. They said that the Agnipath scheme is not beneficial for the country's youth. PDP leaders regretted that instead of addressing the concern shown by the agitating youth against the scheme, the government is shamelessly adopting aggressive means to gag the voice of those who are opposing this scheme.

Criticizing the Modi government over the scheme, PDP leaders pointed out that for the first time in 75 years, service chiefs were being asked to defend a government's policy decision. Lambasting the Centre over Agnipath Scheme, PDP leaders said that the scheme will 'kill the youth' of the country and will 'finish the Army'. They said that the government is not working for the poor and youth but for big industrialists. Giving all support to the agitating youth, PDP leaders appealed to the youth to continue their protests peacefully against the Agnipath scheme.

Lab Pathology services in Jammu

Max Lab representative talking to reporters.

STATE TIMES NEWS

JAMMU: Max Healthcare launched, one of its kind, Max Lab Center on Wednesday, in Jammu.

Max Lab is strategically located for convenience at Medi-Trust Clinic, 14 Opp PNB Bank, Bakshi Nagar, Jammu.

"We offers home sample collection facilities from morning 6:30 AM to 1 PM and same reports delivered on

WhatsApp, SMS and through e-mail. This will be a great benefit for the local residents to get all their Diagnostic test related needs met with ease in their vicinity," said Ashish Director and Bhatia, Business Head of Max Lab Limited.

"The diagnostic sector in India is poised to grow exponentially due to the rising demand for healthcare. In more than 80% of the cases,

pathological results play a vital role in decision making for further treatment. Diagnostic sector has a substantial role to play in delivery of quality healthcare and building a preventing care network for better diagnosis of health issues," said Ashish Bhatia, Director Business Head of Max Lab Limited.

"There is a huge gap between the availability and the demand for pathological labs in Tier 2 & 3 Cities. With rise in population, upsurge in chronic ailments, insufficient availability of quality diagnostic centers and demand for accurate and timely medical care, Max Labs aims to provide the best quality pathology services here," added Vikram Verma, Vice President & Head Sales, Max Lab.
