other concerned officers were present either physically or virtually through video conferencing from Jammu.

The Chief Secretary lauded the efforts of the IT Department and local chapter of NIC for development of all these services in-house with their own expertise and resources. He said that the

performance of the Auto-appeal system by 15th of Department is excellent with next month.

more to be done in the days ahead. He advised the concerned to further expedite the auto appeal feature on the national platform of Serviceplus. He asked them to onboard at least 100 services on this portal by next week and all the eligible services under the

Assessment (NeSDA). He asked them to improve their ratings by bringing all the services and portals at par with their guidelines so that our score reaches the optimum range of 1 within this time peri-

od. The Commissioner Secretary, IT, PrernaPuri informed the meeting that by launching these 6 services of H&UDD today the number of online services offered by the UT reached to 480 today. She apprised that all these services have been linked with payment and SMS gateways for ease of applicants.

She further added that soon more services would be made online as these have been identified for development and in coming weeks the number of such services is going to touch

500 mark here. During the meeting the Chief Secretary also reviewed the progress made in development of services like online FIR registration, online billing of water connections besides other services.

He enjoined upon the officers that by offering services online and bringing them into the ambit of Auto-appeal system is not only ensuring their timely delivery but weeding out of corruption and malpractices from government offices. He observed that with the system of auto-escalation under PSGA in place both the quality and delivery of services to public would improve a lot as is reflected from the statistics of services brought under this prudent system during the past year or so.
