One Week One Lab Campaign of CSIR-IIIM concludes KVK Reasi promotes natural farming

STATE TIMES NEWS

UDHAMPUR: The One Week One Lab (OWOL) Campaign of CSIR-Indian Institute of Integrative Medicine, Jammu concluded with Startup Conclave at Udhampur as its day 7 event. CSIR-IIIM has launched its One Week One Lab Campaign on 4th June with Lavender Festival which was inaugurated by Dr. Jitendra Singh, Union Minister of State (I/C) for Science and Technology, Minister of State in the PMO, Ministry of Personnel, Pensions, Public Grievances & DoAE, Department of Space and Vice President, CSIR.

While briefing the media persons here about the series of events conducted during past one week as part of One Week One Lab Campaign, Dr. Zabeer Ahmed, Director CSIR-IIIM said that the idea of OWOL was given by Dr. Jitendra Singh, Union Minister and emphasized that each CSIR Lab should conduct the theme based One Week One Lab Campaign to demonstrate the technologies and innovations the labs are having. Under the patronage of Director General, CSIR, Dr. N. Kalaiselvi, IIM,

Organisers along with participants during valedictory programme.

Jammu has moduled its One Week One Lab Campaign, as per the major domain areas of the institute and various societal mission programmes CSIR-IIIM is having a leading role.

Dr. Zabeer Ahmed, Director CSIR-IIIM, then proceeded to give detail of day wise activities organised by CSIR-IIIM under OWOL program and highlighted that various activities were held at six different locations i.e. Jammu, Chatha, Bharderwah, Udhampur, Srinagar and Leh. To start with, on 4th June i.e. the first of OWOL, the Lavender Festival was organised in Bharderwah, which was inaugurated by Dr. Jitendra Singh, Hon'ble Union Minister, in Bharderwah. The farmers,

startups, entrepreneurs, industrialists and academicians attended this event. The lavender festival has become an annual event of the institute to celebrate the success the institute gained in lavender cultivation. On the second day, the student-scientist interactions and live experiment demonstrations were held at CSIR-IIIM (Br.) Srinagar. One-day symposium on Drug Discovery at IIM, Jammu was organised in which more than 300 students & scholars from various research and academic institutions from Jammu region participated. This was followed by a hands-on workshop on high end research organised on the day 4. The fifth day activity under OWOL was young

researchers' meet and an awareness program for farmers, held parallelly at IIM, Jammu, and Chatha Farm, respectively. In the young researchers meet, about 200 Ph.D. Scholars from different institutions attended the meet and 250 farmers from Kathua, Samba, Jammu, Rajouri and Poonch were present. The 6th Day of OWOL Campaign of CSIR-IIIM, Jammu was marked with the organisation of awareness cum training program for farmers in Leh.

It was further informed that the Startup Conclave, Udhampur was the last and 7th day event of OWOL Campaign of CSIR-IIIM, Jammu, organised in District Police Lines, Udhampur, which was inau-

REASI: Krishi Vigyan Kendra (KVK), Reasi under the aegis of Sher-e-Kashmir University of Agricultural Sciences and Technologies, Jammu (SKUAST-J) is promoting and educating the farmers on natural farming. Sr. Scientist and Head of KVK, Reasi, Dr. Banarsi Lal said that Reasi district of J&K has an immense potential in natural farming and the farmers can produce high quality farm products without synthetic pesticides and herbicides. He added that natural agricultural farm produce is highly beneficial to both human health and to the health of both land and ecosystem. He added that it is easy for the farmers to adopt the natural farming as already they are utilizing most of the natural resources and inputs for farming from their own fields. He informed that natural farming helps to preserve the ecology and biodiversity.

He narrated that in natural farming there is no need to produce agro-inputs from outside and farmers can utilize their own products in their crops to produce the quality food. He added that

Ashish addresses BJP veteran leaders, meets prominent citizens

BJP Seh Prabhari Ashish Sood during meeting at Reasi.

STATE TIMES NEWS

JAMMU: Jammu and Kashmir BJP Seh Prabhari Ashish Sood addressed a meeting of senior activists of the party in Reasi district.

He was accompanied by J&K BJP Secretary and Prabhari Arvind Gupta, District President Rohit Dubey, former Minister Ajay Nanda, former MLA Baldev Sharma, and former district President Kuldeep Dubey.

Ashish Sood while addressing the meeting of senior activists, said that the BJP has the distinction of being a party with committed cadre. The

activists who are today veterans were youth of the party in initial years and nurtured the organization with their hard work.

The youth of the party at present is following the footsteps of seniors and contributing in strengthening it.

Ashish Sood also shared a number of development projects and welfare schemes launched by the Narendra Modi government during the past nine years. He said that nine years of Narendra Modi's rule has been splendid which took care of every region and every section

in all matters and at all levels.

Bawa Sharma, Additional Protocol Secretary, Senior leader Kabla Singh, Chaman Bhagat, Sudesh Puri, Chairman Reasi Municipal Committee, Rajinder Mengi, Abdul Rashid, VDC Chairman, and Mandal President were prominent among those who attempted the meeting.

During his one day visit to Reasi, Ashish Sood also paid visits to the residences of Ramesh (Retd Manager NHPC), Aghar Ballian, Kuldeep Singh (EX District President) and Sudesh Kumar Pandotra. He interacted with these prominent citizens and shared the programs, pro nation programs and policies of the Modi government.

During his visit to the residence of martyr Kamal Kishore, Sood, while interacting with the family members, applauded the services of this brave soldier and assured them that the party always stands with them.

DSEJ inspects under progress work in Jammu Zone Schools

STATE TIMES NEWS

JAMMU: Director School Education Jammu, Ashok Sharma, visited different government schools of zone Jammu to evaluate and take firsthand appraisal of the works under progress in these institutions. He was accompanied by Mamta Sharma, Deputy Director Planning, DSEJ and the officials of the Engineering Wing.

Ashok Sharma divulged that 21 Higher Secondary Schools falling within the Jammu City Municipal limits are receiving a facelift, repair, renovation, new constructions and will be upgraded with the addition of fully functional new age smart classrooms. A total of 286 Information and Communication Technology (ICT) enabled Smart classrooms are being constructed in these 21 Higher Secondary Schools with the aim of providing digital education to the needy sections of the society and reducing the technological and logistic gap.

These works have been taken up under the Smart

City Project.

The visiting team inspected and took stock of the work under progress. Sharma interacted with the staff members, workers and other stakeholders and gave on-spot directions while making suggestions to improve the quality, availability, and accessibility of education for the students. He asked everyone to work hard, diligently and give their hundred percent so that the work can be completed in the stipulated time frame.

"I am delighted to see the extent of development of the new structures at these Higher Secondary Schools," Sharma said. "The students of Jammu deserve access to high-quality education facilities, and it is inspiring to see the progress we are making towards that goal."

The Smart City Projects in Jammu are an integral part of the government's vision for the city. These projects aim to improve the quality of life for citizens through better infrastructure, increased efficiency, and improved access to essential services.

DC Rajouri inspects examination centre for EMR admission Test

STATE TIMES NEWS

RAJOURI: Deputy Commissioner Rajouri, Vikas Kundal on Sunday visited Government Degree College (GDC) Rajouri to inspect the ongoing examination for admission of students to Ekalavya Model Residential schools for Gurdhanbala and Hubbi.

The EMRs is being conducted as per the previous year practice and this

year only one centre with three sub-centres, was set up at Government Degree College Rajouri.

As many as 756 students had applied for the exam of which only 738 took the test.

During the visit, the Deputy Commissioner Rajouri interacted with the examination staff and enquired about the arrangements made for the smooth conduct of the

examination.

He also interacted with the students and wished them luck for their future endeavors. The Ekalavya Model Residential schools are an initiative of the government to provide quality education to the students belonging to the tribal communities. These schools provide free education, accommodation, and other basic facilities to the students.

Central Nodal Officer JSA-CTR hold meeting with Ramban admin

STATE TIMES NEWS

RAMBAN: Director (Law & Order), Internal Security-I Division, Union Ministry of Home Affairs and Central Nodal Officer (CNO) for Jal Shakti Abhiyaan (JSA), Catch The Rain (CTR), Nishtha Tiwari, along with Scientist Central Ground Water, Chandreyee De, currently on three day visit to Ramban district, convened a meeting with senior officers of district administration here.

She had a detailed assessment of various crucial aspects of JSA including status of its implementation in the district. She also reviewed the financial and physical progress achieved, so far, in the district under the programme.

She appreciated the efforts of district administration and other stakeholders in effectively implementing the Jal Shakti Abhiyan in the dis-

trict.

Nishtha Tiwari asked the stakeholders to understand the need for water conservation, its judicious use, protection of water sources and rain water harvesting to make safe and sufficient water available for our future generations. She stressed on coordination of stakeholders with defined SOPs and nodal point (Single point of contact) which is crucial for thorough implementation of Water Conservation Plan and protection of environment.

She asked for geo-tagging of all water bodies and Amrit Sarovars in the district. She also asked the officers for disseminating success stories of water conservation from the district showcasing utilisation of rain water and kitchen water for agriculture, kitchen gardening, and other purposes.

Recognizing huge poten-

tial of Anar Dana in the district, she asked the forest department to take up afforestation with this product which can serve dual purpose of soil and water conservation besides facilitating economic growth of the nearby people.

District Development Commissioner Ramban, Mussarat Islam, presented a detailed report on steps being taken up by the district administration to harvest the rain water and recharge ground water in the district in order to come out of the present status of water stressed district. He informed that Jal Shakti Kendra is functioning from DC office Complex and water conservation plan is operational in the district.

DC further informed that the district has 57738 households and 48.56% of them are being provided FHTCs under JJM. Besides, there are

88 ongoing projects under JJM in the district to provide safe drinking and tapped water to every household in the district.

He said the district has restored and created numerous new water harvesting structures under RDD, IWMP, Horticulture, Soil Conservation, Agriculture, Jal Shakti, Forest and other departments. Furthermore, 107 Amrit Sarovars have been constructed in the district during last financial year to conserve water and recharge ground water along with the protection of fragile ecosystem of the region.

He apprised that extensive awareness campaigns are being run in schools, villages, public places, Block Divas programs, Gram Sabhas and Pani Simitis to imbibe in them the habit of water conservation. Besides, print, electronic and social media platforms are being

used to spread the information among the masses.

DC added that forest department has conducted extensive plantation drive in the district under Mission LiFE and other schemes and has planted near about five lakh of saplings in the district.

Pertinently, Jal Shakti Abhiyan is a flagship program of Government of India focused on ensuring water security and conservation in the country. The program aims to raise awareness about the importance of water conservation, promote water harvesting, and improve infrastructure for water storage and distribution.

Among others the meeting was attended by Superintendent Engineer Hydraulic Circle Doda, CPO, ACR Ramban, ACD, CAO, CHO, CAHO, CMO, DFOs, Executive Engineer Jal Shakti and concerned district officers.
