Holding monthly meetings at the party office Domail in Udhampur, Senior Vice President Jammu, Ex-MLA Faqir Nath, who is also incharge of the district took review of the situation that is causing problems to the environment and ground water level due to illegal mining. The meeting was also attended by District President, Udhampur Hans Raj Dogra, District Vice President, Jagdev Singh, District General Secretary, Sat Paul, District Youth President, Ajeet Kumar Sharma, Senior leader Talib Hussain, and others.

Faqir Nath while addressing district committee at party office Udhampur strongly demanded an stern action on illegal mining min-

AAP leaders after meeting at Udhampur.

eral like stone, bajri, and, sand from the river, nallas, and khad in District Udhampur due to this which the level of ground water is refused in most of the areas. Nath said "Our party extends full support to agitating people against the illegal mining with the involvement of the mining department and civil administration."

He expressed his displeasure over the situation which was created by the district administration. If no action is taken against the mining mafia the party and people

come out on the road.

He said that the district's rural areas have poor road connectivity, unscheduled electricity cuts, and irregular drinking water supplies. Many villages even do not have tap water supply and hence, they depend upon the natural springs, he added and demanded that the Govt should look into issues of development, and providing basic amenities.

Govt. GLDM Degree College organises symposium on ‘Beat Plastic pollution’

■ STATE TIMES NEWS

HIRANAGAR: Department of Environmental Science in collaboration with the Eco-Club of Govt. GLDM Degree College Hiranagar organized a symposium on the theme Beat Plastic pollution on the occasion of World Environment day under the aegis of G20. The whole programme was organized under the patronage of Dr. Pragya Khanna, Principal, who also graced the occasion as Chief Guest. She appreciated the efforts of the students and Faculty members for actively participating in the event. She further stressed to stop using single used plastics that are only meant to be used once and instead of that turn to more environmentally friendly substitutes for plastic. She also

appealed to students to follow the rule of "Zero Waste" which is a way of life that promotes the goal of reducing the amount of material we throw away and instead reincorporating by-products of one system for use for another system. Prof Neha Bhagat, HOD Environmental Sciences and convenor Eco-Club explained that the objective of organizing the event is to only make young minds aware of their responsibilities towards Mother Earth and how a single individual can play an active role in protecting and improving the environment by changing their lifestyle. The programme was organized by Prof Neha Bhagat (HOD Environmental Science & Convenor Eco-Club) along with, Dr. Jyoti Rani, Prof Kiran Thapa, Dr. Arun Kumar, Dr. Usha Rani, Vikram Jamwal (PTI).
