Northern Railway made New Record in Scrap Sale Earns Rs. 101.11 Cr. upto June 11 in Current FY 2024-25 Highest among all the Zonal Railway/PSU on Indian Railway

STATE TIMES NEWS
JAMMU: Shobhan Chaudhuri, General Manager, Northern Railway informed that Northern Railway has made a new record in scrap sale.

By the close of auction on June 11, 2024, Northern Railway stands at No.1 in scrap sale amongst all Zonal Railways and Production Units of Indian Railway by disposing off scrap worth Rs. 101.11 Cr. in the current FY 2024-25.

Northern Railway has also the first Zonal Railway to achieve the milestone in scrap sale of Rs. 100 Cr. in the current Financial Year. In the process, Northern Railway has sold 528 Nos. of Lots in 71 auctions in the quickest time in achieving the sale.

Scrap disposal is an important activity. Besides generating revenue from scrap, it also helps to maintain the working premises neat &

tidy. Availability of scrap like Rail pieces, Sleepers, Tie Bars etc. Nearby Railway lines are a potential safety hazard. Northern Railway took the task of disposal of Abandoned Structures like staff quarters, cabins, sheds, water tanks etc in a mission mode. This helped not only in generating revenue but also resulted in valuable space being available for better use and avoiding possible misuse of old structures by miscreants. Their quick disposal has always been a priority area and monitored at the highest level. Scrap PSC sleepers which have accumulated in large quantity over Northern Railway are also being disposed of to release the valuable area for Railway activities besides generating revenue.

Northern Railway is poised to cleanse the system from scrap on mission mode to achieve zero scrap status and set an all-time high scrap sale record this financial year.
