the people highlighted water and power crisis in the area and demanded immediate attention of govt amidst scorching heat. She listened patiently to the various issues represented by people, assured them to resolve the issues at the earliest by projecting same before concerned departments for immediate mitigation.

Ritika emphasized that the Modi Government is committed to develop the region of Jammu & Kashmir as per the expectations of its residents. She said that with the liberal funding from the Union Government led by Prime Minister, Narendra Modi, the development of new tourist circuits and the routing of the investments by the big market companies in Jammu & Kashmir, the region is set to make its presence in the top trade and tourism sector, which will go a long way in resurrecting the socio-economic status of the residents of this Union

Ritika highlighted the

essential role of the BJP cadre in the development of Jammu & Kashmir by acting as a bridge between the people, the party and the administration. She added that to facilitate this people-empowerment process, the BJP as an organization dedicated to the welfare of the needy people, has opened up multiple channels to listen to and address the public grievances. She said that BJP is committed to provide all the administrative and other facilities at the doorsteps of Jammu people. People of Jammu and Kashmir Union Territory have lots of expectations from BJP and further we are also committed to the agenda of Sabka Sath Sabka Vikas and we are committed to provide development to the masses at their doorsteps. They have realized that only BJP can fulfill their dreams

and aspirations. Ritika said BJP's devotion towards nation has become more evident after the decisions taken by the Central

Government especially those concerning J&K. She maintained that BJP is the only party that has provided healing touch to poor and it is committed to carry on this legacy forward. She said successive governments failed to initiate any step for the development of J&K and the people were deprived of basic amenities like drinking water, regular power supply and good road network.

Ritika said that on one side there are parties which have been exposed badly for continuously deceiving the common masses for years together and on the other it is BJP which has a cadre from top to bottom working day and night only to satiate the aspirations of people and addressing their issues which were earlier disregarded and misused for petty political gains by dynastic rulers. She solicited the cooperation of the people in realizing the dream of making the J&K economically vibrant and

prosperous.
