## Bajaj Finserv AMC launches Small Cap Fund to tap into long-term growth opportunities

**■ STATE TIMES NEWS**

JAMMU: Bajaj Finserv Asset Management Company has announced the launch of the Bajaj Finserv Small Cap Fund, an open-ended equity scheme predominantly investing in small-cap stocks. The New Fund Offer (NFO) opens for subscription on June 27, 2025, and will close on July 11, 2025. The fund aims to help long-term investors benefit from quality, growth, and value opportunities within India's small-cap space. With over 80% of small-cap companies reporting a 38% profit growth and still trading 15-45% below their 52-week

highs, the current market correction offers a strong entry point. Structural tailwinds like the 'Make in India' initiative, rising formalisation, and digital transformation are expected to further boost small-cap performance. Ganesh Mohan, Managing Director of Bajaj Finserv AMC, emphasized the importance of active management in navigating the volatility of small-cap stocks. He noted that the fund's strategy focuses on identifying early-phase, high-potential businesses with strong governance and scalable models. The fund employs a rigorous internal forensic and risk-

aware analysis to screen out companies with inconsistent fundamentals or governance concerns. From a universe of over 1,100 small-cap stocks, the fund narrows its selection to a focused portfolio of 40-100 quality companies. Nimesh Chandan, Chief Investment Officer, said, "Our new fund will identify leaders in emerging industries and challengers with strong fundamentals. Despite the flat performance of the small-cap index over the past year; many companies have shown robust profit growth, making valuations particularly attractive after this time correction."

The fund is benchmarked to the BSE 250 SmallCap Index TRI and is suited for investors looking to diversify portfolios with fundamentally strong, under-valued small-cap stocks. It offers both Growth and IDCW options, with a minimum application of Rs 500 and additional investments starting at Rs 100. An exit load of 1% applies if units are redeemed within six months of allotment. The fund will be co-managed by Nimesh Chandan and Sorbh Gupta for equity investments, and Siddharth Chaudhary for the debt portion.

In a similar initiative, a two-day laproligation camp was held at Government Sub District Hospital Mendhar on June 23 and 24, where 84 women availed the sterilization
