# Modi Govt steadfast in empowering SCs: Kavinder

### **STATE TIMES NEWS**

JAMMU: Senior BJP leader and former Deputy Chief Minister, Kavinder Gupta on Monday said that successive governments had only coined slogans about the upliftment of Scheduled Caste people but it is only BJP that has taken concrete steps for their social and economic empowerment and educational advancement of SCs.

The BJP stalwart said this while addressing a meeting of District Working Committee of Anusuchit Jati Morcha here in Jammu.

The former Deputy Minister said that unlike previous governments which tread the path of appeasing the minorities through cheap tactics PM Modi led BJP dispensation is steadfast in empowering the under-privileged and

# BJP Govt betrayed unemployed youth of Jammu region: Harsh

### STATE TIMES NEWS

JAMMU: Re-iterating the demand of parity in govt Jobs between the two regions of Jammu and Kashmir, Harsh Dev Singh, JKNPP Chairman and former Minister, on Monday accused the BJP Govt of having perpetuated the most hostile bias doled out to the educated unemployed youth of Jammu region over the years.

With the share of Jammu in public employment declining year after year, the heat in the region was fast transforming into a furnace. This was stated by the NPP Chairman while addressing a press conference in Jammu today.

Speaking to media persons, Harsh said that Dogra land had been the worst sufferer in the matter of public employment ever since the BJP ascended the throne of power in 2014. While the BJP-PDP coalition rule witnessed the most hostile discrimination doled out to Jammu region in the matter of Govt Jobs, the post Art 370 abrogation era too provided the most glaring examples of bias against the

JKNPP Chairman, Harsh Dev Singh talking to reporters.

youth of the region.

Singh pointed out that regular protests, Dharnas and demonstrations were held outside PSC, SSB and other recruitment agencies against the alleged regional bias with the then mandated leaders merely making vague statements in the media without taking any remedial action to rectify the imbalances. He said that the situation worsened after state's re-organization with Jammu region getting eclipsed and sidelined probably in view of BJP govt's ambitions to conquer the political landscape in Kashmir. One can't lose sight of the fact that during

the past two years the share of Jammu region in govt Jobs has declined to abysmally low levels

the focused attention of the rulers. The fist select list issued by Fire Services Deptt had merely 70 candidates from Jammu region as against 620 from Kashmir. The select list of Assistant Professors in clinical Pathology had all selected candidates from Kashmir region. The R&B Deptt had sought filling up of 76 posts of work Supervisors all for Kashmir region with Jammu region having been completely ignored. The Fisheries Deptt had made 304 appointments from Kashmir region with hardly 40

with Kashmir continuing to get

appointments falling in the kitty of Jammu region. The Health Deptt, last year, ordered termination of around

1500 health professionals

appointed under SRO-24 while allowing their Kashmir counterparts to continue in office. In the same vein, hundreds of daily rated and casual workers and contractual lecturers of Jammu region were thrown out in the most authoritarian manner in the recent few years thus causing huge resentment amongst the educated unemploved, semi employed and under employed youth of the region. By depriving the Jammu region youth of their due share in employment and appeasing Kashmir the BJP would only antagonize its core constituency without getting anything in the valley. The lotus shall never bloom in Kashmir, cautioned Singh.

Calling upon the Govt to fulfill its promises of youth empowerment and equal share in services to Jammu youth, Singh called for immediate settlement of the issues of unemployed Dental surgeons, BSF and CISF aspirants, SMAGRA Teachers, REKs besides other DRWs of PHE, PWD and PDD in the light of assurances made by the present rulers.
