

DSEJ reviews progress on establishment of Smart Classrooms in Schools

STATE TIMES NEWS

JAMMU: Director School Education Jammu, Dr. Ravi Shankar Sharma, today held a review meeting to assess the physical and financial status of works being executed for the establishment of Smart Classrooms in schools. The meeting was attended by Mamta Sharma, Deputy Director (Planning) DSEJ, Chief Education Officer Jammu Mr. Suraj Singh Rathore and Principals of Higher Secondary Schools of Jammu city along with the officials of PWD (R&B) department.

Director School Education Jammu, Dr. Ravi Shankar Sharma chairing a review meeting.

With more and more technology coming in use for teaching-learning process and the National Education Policy-2020 laying stress on use of dual mode of education which includes both, online as well as offline mode, establishment of smart classrooms in

schools has gained paramount importance. To meet this requirement schools have to be provided with faster internet connections, the new LAN system, computer systems, desks and other equipment.

Dr. Ravi Shankar Sharma asked the HOIs to remain in touch with the executing agencies so that the work is completed within the minimum stipulated time frame and there is no further academic loss of the students who have already suffered because of the COVID19 pandemic and the resulting closure of schools.

He further instructed the HOIs to workout 'ZERO WASTGE' plans- in terms of money as well as time also.

Pertinently, the 'Smart classroom' initiative is being taken up by the Government under the 'Smart City' project.

FP&G Deptt hosts training for field functionaries of Jammu

STATE TIMES NEWS

JAMMU: Department of Floriculture Parks and Gardens on Thursday organised a one day Training cum Exposure Visit Programme for field functionaries from different districts of Jammu division to Green Belt Park and Dhatriyal Marh.

The visit was organised under the guidance of Director Floriculture, Jatinder Singh.

Training was imparted to about 20 officials regarding commercial Floriculture and different components of Centrally Sponsored Schemes that would help them implement these at grassroots level by visiting farmers fields and facilitating enhancement of production & productivity of Floricultural crops and the farmers' income.

Training was imparted to the participants by Dr R. K. Pandey, Professor SKUAST Jammu, regarding the different Floricultural crops that the farmers would adopt according to the site, market and demand.

Nodal officer CSS, Sunil Singh, while speaking on the occasion, educated the par-

ticipants regarding installation of poly-house structures, micro-irrigation, nursery raising, medicinal

plants, aromatic plants etc. Others who spoke during the training-eum-awareness programme included

Vikrant Sharma, Floriculture Officer Jammu & Shoukat Ali, Assistant Floriculture Officer.
