Tricolour thrives in heart of every J&K resident: Ravinder Raina

STATE TIMES NEWS

JAMMU: J&K BJP chief Ravinder Raina lashed out at PDP president Mehbooba Mufti on Friday over her "divisive" politics and said the national flag flies and thrives in the heart of everyone in the Union Territory.

Mufti had expressed reservation over the hoisting of the national flag in every house in J&K under the "Har Ghar Janda" campaign and said "they are forcing into our houses to hoist the tricolour". Talking to reporters here, Raina said, "The tricolour flies and thrives in the heart of every resident of Jammu and Kashmir. 'Tiranga is our identity.' He said "Azadi Ka Amrit Mahotsav" is an initiative of the Centre to commemorate 75 glorious years of a progressive India. On the occasion, people all over the country are unfurling the national flag, he said, adding "Similarly, all the residents of J&K will also unfurl the tricolour at their homes. However, this pious exercise is making former chief minister Mehbooba Mufti restless." Nevertheless, the PDP chief must understand that the "tricolour is our identity, it lives in our breath and is our pride", Raina said. "Mohammad Maqbool Sherwani forced the Pakistanis to flee Kashmir in 1947. The tricolour belongs to all of us irrespective of region or religion. Hindus, Muslims, Sikhs, Christians -- the tricolour flies and thrives in the heart of every resident of J&K," he added. "Mufti comes up with similar plots every time on such occasions to play her divisive politics. She knows that J&K is about to witness Assembly polls in the near future and hence, she and others like her are trying to vitiate the atmosphere and make people fight among themselves in the name of region and religion," Raina said.

Kavinder slams Rahul Gandhi over remarks against PM Modi

'Govt committed to provide all basic facilities at people's doorsteps'

STATE TIMES NEWS

JAMMU: Senior BJP leader and former Deputy Chief Minister, Kavinder Gupta on Friday slammed Congress leader Rahul Gandhi for his objectionable remarks against Prime Minister Narendra Modi raising the issue of joblessness.

The senior BJP functionary said, "It is not possible for any government to provide job to every single citizen of the country. Since the inception of the Modi Government several startup schemes have been launched to ensure that youths can become job providers instead of job seekers".

Kavinder said that Rahul Gandhi is making mountains out of molehill because the schemes launched by Modi government have provided vistas of opportunities to the youths to establish their own ventures instead of running after government jobs which have limited scope to grow and prosper.

Increasing cyber crime-cause of grave concern in Valley

SHAKEELA ANDRABI

SRINAGAR: Cyber crime has become the most disruptive threat for financial markets, but at the same time is the most underrated by both regulators and financial institutions. It has been corroborated by figures shared by the Central government which revealed that from 2018 to 2020, a total of 263 cases were registered for cyber crimes. Despite repeated appeals by the cyber crime police, what is more worrying is that people are constantly being subjected to these frauds, resulting in an increase in number of cases not only in Jammu & Kashmir but across India. Cyber Police Station Kashmir Zone, Srinagar on May 12, claimed to have recovered Rs 58 lakh money from three men hailing from north Kashmir's Bandipora District, south Kashmir's Avantipora and Srinagar defrauded by online fraudsters.

As per a Cyber Police spokesman, the com-

plainants from Bandipora and Avantipora alleged that they have been defrauded by online scammers of an amount of Rs 44 lakhs in online investment/trading scam. Both complainants received links of fake investment websites on their cell numbers wherein they were promised to get double monetary benefits. The victims fell prey and accessed the website where they got themselves registered on said websites by opening of e-wallets. As per the Cyber Police spokesman, Cyber Police Station, Kashmir has redressed large number of social media and financial fraud-related complaints and in the current year and an amount of approximately Rs 1.50 crore was prevented from being swindled. Cyber crime is a criminal activity that either targets or uses a computer, a computer network, or a networked device. Most cyber criminals are organised, use advanced techniques, and are highly technically

skilled. Some specific examples of the different types of cyber crime are e-mail and internet fraud, identity fraud (where personal information is stolen and used), theft of financial or card payment data, etc). Like in other parts of the country, Jammu & Kashmir Union Territory is witnessing a rise in cybercrime cases and this can be gauged from the data provided by Jammu and Kashmir Police. At the beginning of the year 2020, a total of 182 cyber crime cases were pending investigation in the Union Territory of Jammu and Kashmir. Of these, 61 were registered in different Police Stations of the Jammu region and 63 in the Kashmir division. The remaining were registered by Crime Branch Jammu and Crime Branch Kashmir.

During year, 142 more cyber crime cases were registered, which include 74 in Jammu division, 64 in Kashmir and 4 by Crime

Branch Kashmir. With this, the total number of cases for investigation increased to 324. However, only 19 cases were Challenged by Police while 8 cases could not be traced and 9 were not admitted. Due to poor disposal, a total of 288 cases were pending investigation at the end of 2020, a police report revealed. The government has launched National Cyber Crime Reporting Portal (www.cybercrime.gov.in), to enable the public to report incidents pertaining to all types of cyber crimes, with special focus on crimes against women and children. Under the 14C, seven Joint Cyber Coordination Teams have been constituted to address the issue of jurisdictional complexity, based upon cyber crime hotspots/areas, by onboarding all the States/UTs to provide a robust coordination framework to the LEAs. General public is advised to stay away from such frauds promising undue profits. Beware and Stay safe.
