SH. DILIP KUMAR BHAT

## Over 200 high-powered bulletproof vehicles deployed amid high threat for Amarnath Yatra

### ■ STATE TIMES NEWS

JAMMU: As Amarnath Yatra has started after a gap of two years amid high threat, 200 high-powered bulletproof vehicles are placed in sensitive locations along with security forces to detect explosives as well as other tasks to ensure safe and secure pilgrimage. These vehicles, an official told ANI on request for anonymity, are equipped with a high-powered automatic mapping facility, and the ability to move easily on planes, forests, water as well as places on heights. Besides, the official said, the key specialization of these vehicles is to detect Improvised Explosive Devices (IEDs). Majority of 200 vehicles have Deep Penetrating Radar (DPR) to detect IEDs on routes connecting Srinagar and Jammu to Amarnath. "If under attack, these vehicles cannot be damaged from the explosion of IED weighing nearly 25 kg," claimed an official. Amid the latest threat inputs regarding the use of grenades, sticky bombs, and IEDs, the security forces have been using these vehicles too along with high-tech gadgets, said the official. The official said that these vehicles were pressed into Jammu and Kashmir in the last few months considering the 43-day Amarnath Yatra that started on Thursday under high-security arrangements as intelligence reports suggest a high threat to the annual pilgrimage that would culminate on August 11.

Security has also been tightened in Jammu and Kashmir with special emphasis on the use of over 130 sniffer dogs on the vehicle routes heading towards the Amarnath shrine. National Investigation Agency also informed the Central government last week that Pakistan-based commanders of proscribed terrorist organisations are trying for terrorist activities by way of targeting minorities, security personnel and religious pilgrimages including holy Amaranth Yatra, Shri Vaishno Devi Yatra and other similar religious activities. Considering threats, over 200 drones are being used on twin routes of Pahalgam and Baltal to keep a tab on each and every activity said the official, adding major threat is suspected from cadres of offshoots of proscribed terrorist organisations such as 'The Resistance Front (TRF)', People Anti-Fascist Forces (PAFF)' etc'.

## Battery Car service suspended due to landslide

### ■ STATE TIMES NEWS

KATHRA: The Battery Car service at holy shrine of Shri Mata Vaishno Devi was suspended due to landslide, due to which Yatris were diverted to other route. Helicopter service to Shrine also remained closed on third day.
