Devotees anguished over melting of Shivling due to negligence of Govt: Shiv Sena 'Govt ignored recommendations of Sen Committee'

■ STATE TIMES NEWS

JAMMU: Shiv Sena J&K unit held severely the Jammu and Kashmir Government and the Shree Amarnath Shrine Board responsible for the premature melting of the Ice-Lingam at the Holy Cave Shrine, accusing the Board and Government of neglecting the recommendations of the Nitin Sen Committee. The Party blamed the government for hurting the religious sentiments of devotees as the present regime in J&K focusing only on increasing the number of tourists in the Union Territory.

Addressing a press conference at Party's State Central Office in Jammu today, Manish Sahni, President Shiv Sena J&K said that thousands of devotees who were still waiting to have Darshan of Baba Barfani, are getting disheartened as the 18-feet high Ice-Lingam of the holy Amarnath cave melts three weeks before the completion of the Yatra.

"While the government knew that not only India, but the whole of Europe was also suffering from the heat caused by climate change, despite all this, the recommendations of the Nitin Sen Committee were ignored deliberately," he said.

Sahni said as per the Sen Committee, a total of 7000 passengers were recommended to be sent

daily from both the travel routes, whereas at present more than 10 thousand pilgrims were being sent daily and besides the deployment of thousands of soldiers for the security of both the routes, administrative staff, Langar, etc. about 20 thousand people including Sewa Dar, Pittu Wale i.e., were present near the Amarnath Yatra routes and cave. Helicopter service and rounds were increased on it due to which the holy Amarnath cave and the surrounding environment has drastically affected resulting in the naturally formed snow Shifling was disappeared before the time.

Sahni said that if all the recommendations of the committee had been implemented on ground, perhaps the huge damage caused by the nature disaster of cloudburst on July 8 could have been avoided. He reminded that about 16 people were died in the cloud burst accident.

Sahni said that the government is providing better facilities to the pilgrims, but along with this, protecting the environment and respecting the topography should not be neglected at any costs.

Among those who were present include Vikas Bakshi, Raj Singh, Shashipal, Mangu Ram, Naresh Kumar and Ashok Kumar.

Congress contests Govt's job figures in LS to JK youth, seeks details: Ravinder

■ STATE TIMES NEWS

JAMMU: Expressing surprise over the claim by the Central Government in the Parliament about huge number of jobs in govt and private sectors in Jammu and Kashmir, J&K Congress on Saturday asked the government to public the details as the big claim of the government appears to be wrong and false.

Seeking details of the claim of the Central Government in the Parliament regarding 30000 jobs in public sectors and 5 lakh in private sectors to J&K Youth, Congress said that the youth of Jammu and Kashmir are the worst sufferers of the policies of

BJP Govt which has been playing with the future of youth.

Raising questions about the figures of the government placed in the parliament, JKPC Chief spokesperson Ravinder Sharma has sought the mode of selections in past two years to recruit such large number of youth as claimed especially in the PSUs in J &K.

The highest level of unemployment since independence in Jammu and Kashmir has been recorded but the government has surprised by the figures of jobs in government and private sector post August 5, 2019.

The promises of filling up 50000 jobs post August

2019 ,within three months was a great betrayal and false claims of employment in government and private sector post 2019 is worst joke with the youths of Jammu and Kashmir, he said.

He said that government failed to complete selection of 8500 class 4th posts in more than two years while selections of PSI has been quashed due to bunglings while FAA selections are under scanner, 3400 posts of class IVth is still pending, the aspirants for various posts are on streets, so how many jobs were actually given and where from these figures come, as no major private sector has landed so far in J&K in recent years.
