# Tax-payers' money looted, Govt properties encroached by J&K BJP leaders: Harsh

## STATE TIMES NEWS

JAMMU: Ridiculing the tall slogans of transparency, good governance and corruption free dispensation in J&K, Harsh Dev Singh, former Minister and senior AAP leader on Monday accused the current dispensation of allowing open loot of tax-payers' money besides illegal encroachment of govt properties and Estates bungalows by BJP leaders. He said that despite the Assembly having been dissolved in 2018, the corrupt bureaucrats had allowed the BJP leaders to retain the govt mansions including ministerial bungalows in defiance of the SOPs and in blatant circumvention of the orders of the High Court. He said that not only were the said leaders allowed to illegally retain the Estates bungalows but several of them

had been permitted to stay therein without paying any rent. Referring to the reply obtained by him recently in response to an RTI application, Singh said that the rent outstanding against individual BJP leaders ran into lacs with the Estates Deptt authorities failing to act against such defaulters and illegal encroachers due to an unholy officer-politician nexus prevailing in the Deptt. Likewise, the power tariff ran into several lacs against several such BJP MLAs in respect of the Estates Quarters illegally retained by them. The BJP leaders therefore had not only usurped the said govt bungalows without rent but had refused to pay the power tariff bills which amounted to lacs with the officers concerned providing them due protection from law and penal action. And while the power con-

nnections of poor BPL families were cut off for non-payment of even a few hundred of rupees, the corrupt regime of BJP had granted immunity to these political persons to loot the public exchequer and abuse the govt resources providing the most glaring example of Jungle Raj prevailing in the present govt.

Not only the BJP leaders had been granted such unwholesome favours by the corrupt bureaucracy but it had allotted Estates bungalows in Gandhi Nagar Jammu after dissolution of Assembly for Apni Party office and People Conference office in violation of all rules, norms, regulations, bye laws, prevalent practices and procedures relating to allotment of govt accommodation. These parties had been provided accommodation for their political

offices in Jammu in view of them being sister organizations of BJP.

Likewise security was provided to political leaders on the basis of their political affiliations, proximity to corridors of power and other extraneous considerations without having regard to the actual threat perception and vulnerability of such political person.

He said that several BJP workers and even contractors who had given donations and gifts to helmsmen had been provided security while denying minimum necessary security to the political persons facing serious threats from militant organizations including Hizbul Mujahideen and other terror groups.

He said that he would prove his allegations of nepotism and corruption in allotment of security and

accommodation in case the govt ordered a probe.

Singh added that several officers who had been allotted Ladakh UT and were no more serving in J&K UT had also been allotted Estates bungalows in Gandhi Nagar Jammu defying all logic and rationale.

And while atleast six Estates bungalows had been allotted to officers of Ladakh UT, the J&K UT officers were accommodated in private bungalows hired on huge premium running into several lakhs.

The reply stated that atleast 44 govt officers were lodged in private bungalows in Jammu alone putting huge burden on state exchequer with none to take cognizance in a govt making haughty, supercilious claims of good governance and corruption free system.

Rajnath Singh here yesterday and lauded him for adding grace to the high office occupied by him, by not indulging in mudslinging on the first prime Minister Pt Jawahar Lal Nehru.

Surprisingly, it was a departure from the syllabus and subject of the BJP especially Prime Minister Modi and Home Minister Amit Shah but Rajnath Singh has shown his political maturity and sagacity in tune with the glorious traditions of Indian democracy, he added.

Singh, knows the immense contributions of Pt Nehru as architect of modern India especially his efforts and role in the accession and integration of Jammu and Kashmir with India but out of political compulsions, BJP leaders have been making him target of vilification campaign, which is most unfortunate.

The credit for the security situation goes to the security forces and our brave jawans who earned it through supreme sacrifices and it becomes possible for the publicity hungry BJP leaders to hoist National Flag in Lal Chowk under tight vigil and security arrangements.
